A GUIDE TO

SQL

The background of the cover is a dark, deep blue. It is filled with a complex network of glowing, ethereal lines in shades of blue, purple, and white. These lines appear to be light trails or data paths, some straight and others curved, creating a sense of dynamic movement. Scattered throughout the scene are numerous small, bright particles, some appearing as sharp points of light and others as soft, out-of-focus glows. At the bottom center, there is a bright, horizontal band of white and blue light, from which the glowing lines seem to originate or converge.
