Guide To Better Business Writing:

HBR Guide to Better Business Writing Bryan Garner, 2013-01-15 DON'T LET YOUR WRITING HOLD YOU BACK
When you're fumbling for words and pressed for time you might be tempted to dismiss good business writing as a nicety. But it's a skill you must cultivate to succeed. You'll lose time, money, and influence if your e-mails, proposals, and other important documents fail to win people over. The HBR Guide to Better Business Writing by writing expert Bryan A. Garner gives you the tools you need to express your ideas clearly and persuasively so clients, colleagues, stakeholders, and partners will get behind them. This book will help you: Push past writer's block. Grab and keep readers' attention. Earn credibility with tough audiences. Trim the fat from your writing. Strike the right tone. Brush up on grammar, punctuation, and usage. **The Graphic Designer's Guide to Better Business Writing** Ruth Cash-Smith, Barbara Janoff, 2010-06-29 Visual thinking: graphic designers sometimes struggle to express themselves clearly and effectively in writing. Now there's help. The Graphic Designer's Guide to Better Business Writing teaches graphic designers how to write compelling business communications. Created especially to address the needs of graphic designers, this handy guide breaks the writing process down into simple, easy-to-understand stages and offers practical writing and presentation models that designers can put to use immediately. Real-life examples cover an array of essential topics: writing winning resumes and cover letters, landing accounts, writing polished letters and reports, creating design briefs, and much more. As a bonus, the authors include time-saving insider tricks of the trade gleaned from interviews with design professionals and creative directors from across the country. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business, and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers. **Guide to Better Business Writing**, 2011 Many of us fumble for the right words and tone when we write, even if we're confident and articulate when we speak. But it doesn't have to be that way. Writing clearly and persuasively requires neither magic nor luck. And it's not a genetic gift. It's a skill to be sure, but one you can build with the help of the practical advice in this guide.
