Independence and Nationalism in the Developing World

Lesson 3 Africa

Review Questions

Directions: Read each main idea. Use your textbook to supply the details that support or explain each main idea.

- A. Main Idea:** Free from colonial rule, many African nations faced serious political, economic, social, and health challenges. Apartheid ended in South Africa, and Nelson Mandela became the country's first black president.
- 1. Detail:** The Charter of the United Nations states that Colonial people have the right to Self-determination.
 - 2. Detail:** South African leader Nelson Mandela and the African National Congress opposed white rule and sought social and political reforms.
 - 3. Detail:** Some African nations were drawn into proxy wars as the United States and the Soviet Union took opposing sides in African political struggles during the Cold War.
 - 4. Detail:** African nations suffered from drought, disease, wars, corruption, overpopulation, and a reliance on single-crop exports and foreign investment.
 - 5. Detail:** Overcrowding and pollution have become major problems in Africa; the HIV/AIDS epidemic is a worldwide problem but has hit Africa south of the Sahara hardest.
- B. Main Idea:** Africa is a study in contrasts. Old and new, native and foreign, live side by side. One result is a constant tension between traditional ways and Western culture.
- 1. Detail:** About 60% percent of Africa's population live outside cities; they still live much as their ancestors did, in thatched dwellings without plumbing or electricity.
 - 2. Detail:** These rural dwellers are dependent upon nature for their livelihoods. Weather conditions such as drought and flooding can sometimes force them to migrate to urban areas in search of work.
 - 3. Detail:** Many urban people see rural dwellers as backward, while rural people see cities as corruptive and prize traditional African values.
 - 4. Detail:** Most African women can vote and hold office, but they remain in low-paid positions and are subject to traditions like arranged marriages.

Commentary on the Bible: First and Second Samuel Graeme Auld, 2019-06-18 This extract from the Eerdmans Commentary on the Bible provides Auld's introduction to and concise commentary on First and Second Samuel. The Eerdmans Commentary on the Bible presents in nontechnical language the best of modern scholarship on each book of the Bible, including the Apocrypha. Reader-friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars, students, and general readers. Rather than attempt a verse-by-verse analysis, these volumes work from larger sense units, highlighting the place of each passage within the overarching biblical story. Commentators focus on the genre of each text: parable, prophetic oracle, legal code, and so on, interpreting within the historical and literary context. The volumes also address major issues within each biblical book, including the range of possible interpretations, and refer readers to the best resources for further discussions.
