The German Way of War Jaap Jan Brouwer, 2021-03-15 How the German Army combined opposing characteristics such as drill and creativity authority and independent thinking into a potent mix of fighting power The German Army lost two consecutive wars and the conclusion is often drawn that it simply wasn't able to cope with its opponents This image is constantly reinforced in literature and in the media where seemingly brainless operating German units led by fanatical officers predominate Nothing was as far from the truth The records show that the Germans consistently outfought the far more numerous Allied armies that eventually defeated them their relative battlefield performance was at least 1.5 and in most cases 3 times as high as that of its opponents The central question in this book is why the German Army had a so much higher relative battlefield performance than the opposition A central element within the Prussian German Army is Auftragstaktik a tactical management concept that dates from the middle of the nineteenth century and is still very advanced in terms of management and organization Using more than fifty examples to illustrate the realities of the battlefield from North Africa to Arnhem and the Hurtgen Forest the author explains why the Prussian German Army was such an unprecedented powerful fighting force And why Auftragstaktik under other guises is still the basic form of operation for many European armies with even the US Army introducing certain elements of Auftragstaktik into its organization more than 150 years after its conception A fascinating book looking at the way the German Army went about training its units and men

The Shame of Reason in Organizational Change Naud van der Ven, 2011-06-03 Rational thought according to Levinas has the merit of making the world lucid and controllable But at the same time it strips things and people of their identity and incorporates them in a homogenized rational order Illusory but nonetheless oppressive Rationality's totalitarian character can provoke resistance and grief with people who are enlisted by it This can lead to a shameful confrontation in which the thinker is being confronted with his victim's resistance and sees himself and his thinking made questionable By proceeding along this route thinking can be brought to self criticism and to revision of standpoints This description by Levinas of rational thinking shows similarity to what managers do in organizations They make their business controllable but at the same time with their planning and schemes they create a totalitarian straitjacket This similarity suggests that also the reactions to imperialistic rationality from Levinas description ought to be found in organizations Is it indeed possible to indicate there the kind of resistance and grief Levinas speaks about Does that give rise to confrontations between managers and their co workers who are supposed to subordinate to their schemes Do managers then feel shame And do those shameful confrontations consequently lead to self reflection and change Desk research suggests that the above elements are partly to be found in the literature of management theory Interviews with managers show that Levinas line of thought can also be found in its completeness within organizations At the same time it becomes clear that becoming conscious of the elements of that line of thought that rationality is all conquering that it provokes resistance that that can lead to shame as well as to a new beginning this is a difficult path to travel The related experiences are easily forgotten and sometimes difficult to excavate Translation of Levinas thinking into terms of management and organization can help us spot them where they play their role in organizations **Angelsaksen versus Rijnlanders** Jaap Jan Brouwer, Piet Moerman, 2005

Grootmeesters In Management Introduction

In today's digital age, the availability of Grootmeesters In Management books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Grootmeesters In Management books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Grootmeesters In Management books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Grootmeesters In Management versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Grootmeesters In Management books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Grootmeesters In Management books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Grootmeesters In Management books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public.

Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Grootmeesters In Management books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Grootmeesters In Management books and manuals for download and embark on your journey of knowledge?
