Manz, Henry P. Sims, 2001-02-28 The truly effective leader today must be one who leads others to lead themselves The rapid pace of change demands fast and flexible responses throughout the organization there s no time to wait for directives from the top And the highly skilled workers so vital to organizational success also demand a high degree of independence Old fashioned command and control leadership is just too slow and stifling Charles Manz and Henry Sims Jr pioneered the concept self leadership in their bestselling book SuperLeadership In The New SuperLeadership the authors present new content and examples designed to help leaders develop the kind of autonomous quick reacting workforce necessary to thrive in these turbulent times This enriched and expanded edition takes the concepts in the first edition to another level by emphasizing a pragmatic how to approach for developing leaders at every level of the organization Drawing on contemporary examples and profiles many from the high tech and information sectors Manz and Sims shatter the myth of the traditional aggrandized versions of heroic leadership They show that a leader truly becomes successful by turning followers into extraordinary self leaders

pillars of strength that will support the organization at every level They detail a series of action oriented steps through which the SuperLeader provides an opportunity for followers to express and develop their own leadership skills and in the process become highly motivated dynamic contributors The New SuperLeadership critically reviews traditional leadership styles vividly illustrating the drawbacks of each the Strong Man whose reliance on fear based compliance smothers initiative the Transactor who promotes a narrow what's in it for me mentality and the Visionary Hero whose powerful personality inspires commitment but inadvertently discourages independent thinking By bringing out the leader in every employee SuperLeadership enables leaders to avoid these pitfalls and develop an enthusiastic innovative and energized workforce The New SuperLeadership is a radically new way of looking at leadership offering a leadership paradigm ideally suited to the realities of the modern workplace It reveals that the only way to succeed today is to tap into the innate leadership potential that lies within every employee

**Twisted Leadership** Charles C. Manz, Craig L. Pearce, 2017-09-19 Discover a new way of thinking about leadership learn how anyone at any level of an organization can be a leader Today's business political and not for profit worlds are plagued by a leadership disease the overly simplistic view of leadership as something that resides in one person or a few people who influence lower level subordinates This wrong headed view of leadership is dangerous it fosters corruption abuse of power and the waste of human talent Twisted Leadership offers a cure for this leadership disease The book shows you that leadership is a dynamic complex social process not just a role occupied by an individual at the top You'll learn how to combine four practical strategies self super shared and socially responsible leadership to create a new kind leadership that can be exchanged among all members of an organization based on the context goals knowledge experience or general needs of everyone involved It's the ultimate cure for the leadership disease Learn How the leadership disease was originally contracted what damage it can do Why today's common approaches to leadership practice aren't good enough How to view leadership as a process not just a role How to use the four strategies of twisted leadership to treat the disease The book concludes with prescriptions to facilitate sustainable twisted leadership You'll discover how the lines between leaders and followers who often know more and are in a better position to exercise leadership over themselves and others at key points in work processes have become blurred And after reading this book you'll see that a new kind of leadership has arrived just in time
