Throughout the gospel, we find how Christ used parables to describe our personal relationship with God. He took the tangible things of life as example to illustrate a spiritual life in Christ. The devotional before you has one hundred devotions, many based on parables of my life and stories I recall. Why one hundred? One hundred represents fullness and a completion, as well as principle of return. My first hope is that your reading this will not only help you to recognize that everything is spiritual, but also give you an opportunity to know and experience more of God's presence. Second, my hope is that completing this devotion won't mark an end or accomplishment, but that you will be spiritually primed to pursue greater

depths in an intimate relationship with our Savior And last with the principle of return I pray that you will continue to grow and be further profitable to Gods kingdom and purpose taking what God gives in abundance and pouring it over into the lives of others
