Oberlin Evangelist ,1839 [Joy Within His House](#) Sister Mary Magdalene of the Immaculate Conception Prewitt, OP,2025-08-29 You may like most people have misconceptions about monastic life especially the cloister what nuns do all day what they are like why they choose this life and what they have given up Perhaps you are not even aware that thousands of women dedicated to praying for you are scattered throughout the world hidden in many different cloisters

[Joy Within His House](#) offers those who live on the outside of the cloister a glimpse into the experience of those who live within Dominican Sister Mary Magdalene of the Immaculate Conception Prewitt shares the joy she finds in living the life of a cloistered nun and following Christ Several dozen captivating photographs from inside the cloister many by award winning photographer Jeffrey Bruno help illustrate the prayer study work and recreation that order the nuns days

A life of contemplation is not something esoteric secretive or hidden rather it is a mystery Despite facing some different day to day realities you might just find one or more facets of that mystery that will enrich your own life

This book demonstrates that laypeople can also take the principles of Dominican spirituality and monastic life and use them as tools to help them grow in holiness
