Van Tassell, 2010-01-28      Having It All? Veronica

Chambers, 2007-12-18 A behind the scenes look into the lives of successful middle and upper middle class African American women the groundbreaking *HAVING IT ALL* is sure to spark discussions from cocktail parties to boardrooms In a single generation black women have made extraordinary strides academically professionally and financially They've entered the workplace at a far greater rate than white women increased their enrollment in law schools and graduate programs by 120 percent and many are now running top companies or in some cases the country Isn't that enough Not necessarily With sharp insight award winning journalist Veronica Chambers explores the challenges and stereotypes she and other African American women continue to endure and answers the question most often posed to her What does success mean for black women Twenty first century black women draw their inspiration from a wide range of sources Claire Huxtable to Audrey Hepburn

snowboarding to basketball Gloria Steinem to bell hooks They choose what they like Yet they are misunderstood by mainstream America and lack an accurate portrayal in the media of their lives HAVING IT ALL interweaves the thoughts and reflections of more than fifty women who occupy this territory The voices range from Thelma Golden chief curator of The Studio Museum in Harlem to a Silicon Valley executive to medical and legal professionals and stay at home mocha moms Successful black women today want it all marriage motherhood engaging work and prosperity The difference is that they come to the table with the strength courage and wisdom of black women ancestors who did it all even when they didn't have it all What has gone so undocumented by the media is that modern black women are coming up with creative satisfying answers to the juggling act that all women face Veronica Chambers chronicles this topic for the first time in her absorbing riveting and groundbreaking book HAVING IT ALL [Free Amish Fiction Sampler - eBook \[ePub\]](#) Vannetta
