If so, experts Lesley Spellman and Ingrid Jansen have the solution. Their *Reset Your Home* method guides you through your house room by room and step by step, helping you to sort through your emotional connection to stuff first, then through the practicalities of letting it go. Second, *Beginning in the Kitchen*, the room with the fewest emotive items in the home, you'll learn how to strengthen your decluttering muscle as you go before tackling sentimental items at the end. *Reset Your Home* is the tried and tested realistic approach to decluttering for anyone who wants to enjoy a lighter life.
