Is the title page different than the cover? What do the pictures tell you? Ask: What predictions do you have regarding what the book may be about?
	Background Knowledge	Talk about the cover, title page, author and illustrator. What do you think the book will be about? Will it be fact or fiction? Is the title page different than the cover? What do the pictures tell you? Based on the title who do you think the book is about? What do you know about coral reefs? Do you know where you would find one? What kind of life would you expect to find in and around a coral reef? Do KWL chart for this book.
	Book Walk	Walk students through each page, implicit language and vocabulary on each page. Discuss each page. Explain how the picture clues help them understand the words. Point out difficult vocabulary.
	Reading strategies	Discuss reading strategies that will help them read. Focus on comprehension strategies. How will the pictures help you understand the text? How does what you read connect to what you already know? What can you do when you come to a word you do not understand? What can you do if you don't understand a part you have just read?
During Reading	Model Reading	Begin book together and fill out KWL chart as you go. The word in tells me where the sea anemones hide. Find other prepositions in text. Multi-syllable words: Find words in text that are more than one syllable, clap them out.
