In 2000, Johannes Rapp, director of the German Embassy in Beijing, stated that the Chinese Government had representative power. He is reported to have said:

Most researchers have concluded that the effects suggested concerning the impact of being excluded from the community of Catholic students is attributable to the exclusion of these students from the Catholic community rather than to the exclusion of these students from the community of students in general. (Cicchetti et al., 2003, p. 1000)

By the year 2000, this United States had some major Asian InfoComm groups for instance. They represented themselves as the Asian American and Pacific Islander Informational, Professional-Technical and Organizational by the way, all over the nation and they were all fighting for the the United States Congress. By 2000, almost 500,000 Asian American and Pacific Islander were registered in the United States.

The Americans McDougal-Littell Publishing Staff,2002-03-04 *The Americans* ,2003 A Handbook for History Teachers James A. Duthie,2012-09-28 History is not a mere chronicle of facts but a dialogue between competing interpretations of the past it should be taught as such Teaching history in this way makes it both intellectually demanding and more interesting while at the same time helps students acquire the knowledge and skills necessary to become functioning citizens in a democracy The opening chapters provide the rationale for the study of history its epistemological basis and the logic of the discipline The bulk of the book deals with practical ways to help students acquire process and apply information In particular it addresses the specific thinking skills required by the discipline with many effective techniques for helping students to master them The implications of this approach for teacher evaluation of student work are also addressed
