Rural School Leadership Christian P. Wilkens, Janice DeVore Littlebear, Robert S. Thompson, 2024-11-25 Rural School Leadership Lessons from Alaska is a guide for leaders in rural schools The book tells stories provides clear examples and practical school improvement strategies Throughout the book authors discuss how leaders can help their schools meet the needs of both Indigenous and Western systems Chapters are organized around specific areas of interest for rural school leaders such as cross cultural leadership academic improvement and leading small schools *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1973 Children's Writer Guide To 1997 Elaine Marie Alphin, Kristi Vaughan, Mark Haverstock, Margaret Springer, 1997 **35 Best Books for Teaching U.S. Regions** Toni Buzzeo, Jane Kurtz, 2002 Take your students on a learning packed trip across the U S with books they ll love This resource includes background information activity ideas reproducibles and Internet connections to help you use 35 great novels as springboards to social studies learning A great way to get your kids to read more deeply and learn about the seven U S regions For use with Grades 4 8 *Inclusive Texts in Elementary Classrooms* Amy J. Heineke, Aimee Papola-Ellis, 2022 Learn how to put children s diverse and storied experiences at the center of the curriculum Schools are more diverse than ever before but the texts and materials that typify classroom curricula continue to prioritize so called mainstream stories and perspectives These canonical texts often exclude the nuanced identities and rich lived experiences of the very children sitting in today s classrooms But kids thrive when they see themselves in texts and learn about the world around them by connecting with the experiences of others Based on the authors work with elementary school teachers over the last decade this resource offers strategies for moving away from canonical texts The authors present a four part framework for selecting using and engaging students with texts that promote children s identity development literacy engagement and comprehension and learning across the content areas The practical text provides guidance for setting learning goals that align with relevant standards and curricular directives as well as classrooms examples teaching strategies and reflective questions Book Features An actionable way for teachers to move from theory to practice using what we know about culturally relevant practice and critical literacy to create instruction that enhances children s classroom experiences and learning An inclusive and intersectional approach that supports all teachers in enhancing their classroom libraries and curricular resources for the benefit of all students Specific ideas for texts and authors as well as more generalizable themes and ideas that will guide future exploration and use of texts in classrooms Tangible strategies and rich classrooms examples from 20 expert teachers spanning diverse elementary school settings Reflective questions to help practitioners personalize the content to their own contexts **Finding Meaning in Civically Engaged Scholarship** Marissa L. Diener, Hank Liese, 2009-06-01 The essays in this volume are a collection of reflective narratives rather than traditional scholarly treatises The book is divided into two parts The first part describes our individual journeys as each of us found our way to civically engaged scholarship and came

to see it as critical to our academic endeavors and identity This section also highlights the interdisciplinary nature of our work as we discuss our journeys through our own disciplinary lenses The second part presents detailed examples of our civic engagement including service learning classes community based research projects and creation of community service learning spaces These chapters provide a varied picture of the available avenues for civic engagement for students and faculty in a higher education setting We provide sufficient details of our projects and classes to enable replication The book concludes with a discussion of civic engagement as it is defined in the literature The conclusion also discusses institutional factors that support and promote civic engagement as well as the importance of community involvement in service learning Five common themes that emerged across the chapters are described These themes include the use of service learning and civic engagement as an effective pedagogy the relationship between civic engagement and political activism the importance of partnership and collaboration the meaning found in civic engagement and the challenges of civically engaged work
