The New Campus Anti-Rape Movement Caroline Heldman, Alissa R. Ackerman, Ian Breckenridge-Jackson, 2018-05-29 After 40 years of activists working to reduce sexual violence on college campuses in 2014 the new Campus Anti Rape Movement CARM finally put this issue on the national policy agenda President Barack Obama credited an inspiring wave of student led activism for catapulting campus rape into public consciousness This book positions the new CARM within a long history of anti sexual violence activism in the U S The authors describe the major events of this new movement and how it coalesced The authors also analyze the new CARM through a social movement lens and examine the role of new laws and

social media in facilitating movement successes The book argues that the new CARM laid the groundwork for the emergence of MeToo the highest profile campaign against sexual harassment violence to date in U S history **Beat the College Admissions Game: Do a Project!** , *The Best 371 Colleges* Princeton Review (Firm),2009-07-28 Selects 371 of the best schools based on student feedback and provides information on tuition financial aid housing admission requirements and other statistics Students' Guide to Colleges Jordan Goldman,Colleen Buyers,2005 A guide to one hundred of America s top schools features descriptions written by attending undergrads from various walks of life along with vital statistics and requirements for each school and information on the student body academics social life and **College Guide for Performing Arts Majors** Carole J. Everett,Peterson's,2009-09-14 Describes graduate programs in art dance music and theater and lists undergraduate programs College Student Leadership Development Valerie I. Sessa,2017-03-27 College Student Leadership Development introduces the idea that we all play a part in producing leadership and that learning how to participate in the process of leadership is something that all college students need to learn as part of their college academic experience Rather than approaching leadership from the traditional model emphasizing specific skill sets this book acquaints students with how to learn leadership using the ReAChS model of leadership development Reflection Assessment Challenge Support It then encourages students to directly engage their own experiences to hone their leader identity and understanding of leadership as well as improve their leadership knowledge and skills Step by step exercises lead students in reflecting on their experiences assessing themselves choosing challenges creating support networks and finally capturing and communicating to others what they have learned Throughout examples of student leaders experiences provide readers with powerful examples of others successes and struggles in leadership alongside the latest psychological research on learning and development Preparing Students for Life Beyond College Robert J. Nash,Jennifer J.J. Jang □□□,2015-03-05 At a time when STEM research and new technologies are dominating the curricula of colleges and universities this important book refocuses the conversation on holistic education for all students Organized around the most important and difficult questions that students face Preparing Students for Life Beyond College explores a vision of education that will enable students to talk about universal issues openly and honestly preparing them for life beyond their formal education Featuring a variety of traditional and innovative pedagogies strategies recommendations and case studies this practical resource provides student affairs practitioners and higher education faculty in a variety of disciplines with concrete approaches for developing campuses and classes that encourage critical thinking and reflection This exciting book prepares colleges and universities to help students create meaning in their lives no matter the discipline campus location or delivery system *Polished* Melissa Osborne,2024-05-01 An illuminating look at the emotional costs of mobility faced by first generation and low income college students While college initiates a major transition in all students lives low income and first generation students attending elite schools are often entering entirely new worlds Amid the financial and academic challenges of

adapting to college their emotional lives too undergo a transformation Surrounded by peers from different classes and cultural backgrounds they are faced with an impossible choice turn away from their former lives to blend in or stay true to themselves and remain on the outside An ethnography that draws on in depth interviews with one hundred and fifty first generation and low income students across eighteen elite institutions Polished uncovers the hidden consequences of the promise of social mobility in today s educational landscape Sociologist Melissa Osborne reveals how the very support designed to propel first generation students forward can unexpectedly reshape their identities often putting them at odds with their peers and families Without direct institutional support this emotional journey can lead to alienation mental health challenges poor academic outcomes and difficult choices between upward mobility or maintaining authenticity and community Whether you re an educator advocate or student Polished provides a powerful perspective on the uncharted challenges of social mobility and personal identity during college
