Its Not My Fault Henry Cloud, Henry Townsend, 2007-01-01 What seems like just a common no harm done excuse It s not my fault is often a dangerous trap says Drs Henry Cloud and John Townsend because people don t recognize what the blaming mindset does to them It not only keeps them from overcoming the effects of all that they can t control like other people circumstances and genetics but separates them from a solution And when they give away the ownership of their life they end up losing the one opportunity they have to fulfill their dreams and enjoy God s best Using eight principles a variety of true stories and their years of experience as professional psychologists Cloud and Townsend enlighten readers on how to make empowering choices and how to build the life they want to live It may seem impossible but it s true taking personal responsibility is not only liberating it is the best and perhaps the only way for a person to get what they really want out of life

Your ONE Life Lance Witt, 2021-08-10 This is your life Right now You don t get a second chance to get it right There are no mulligans No do overs And no one has ever drifted into a rich and meaningful life by accident But here s the good news you are ridiculously in charge of your own life As a Christ follower you have every resource you need to live the abundant life Jesus promised In *It s Your ONE Life* pastor Lance Witt offers you a roadmap to align yourself with God s purposes and take extreme ownership over your life Sharing several practical tools Witt shows you how to craft the life you want care for your emotional health establish a healthy rhythm of life do life with God not just for God and practice the presence of people A life of significance focus and richness is well within your grasp It s Your ONE Life is the blueprint for making it happen
