

What the It Takes Two to Talk Program Offers

- A consultation for you and your child with a **Hansen Certified Speech-Language Pathologist/Therapist** before the program begins
- A series of informative and personal classes for small groups of parents
- **Three** individual consultations with your **Hansen Certified Speech-Language Pathologist/Therapist** during which:
 - you discuss communication goals and specific strategies for your child
 - you are videotaped interacting with your child during an everyday activity. This video is then reviewed and discussed with you so you can "see" what is helping and what else you can do to help your child learn.

Resource Materials

What Parents and Professionals Say About the It Takes Two to Talk Program

"I have just completed *It Takes Two to Talk*. What a difference this has made to the quality of life for my little girl. She is more confident and will initiate a conversation and join in activities. Several weeks ago she would not have done so."

Patricia, mother of four-year-old Kelly

"It is a big commitment in terms of time, but soon becomes part of your life. You don't sit down and 'do Hansen'; you incorporate it into everyday life. It changed everything."

Lisa, mother of two-year-old George

"The *It Takes Two to Talk* Program has given life a whole new meaning—it's brighter, happier, less confusing/frustrating. We have learned new and wonderful ways to communicate with our daughter and she with us."

A parent in County Wick, Ireland

"The [*It Takes Two to Talk*] Program works because it takes advantage of the way that children naturally learn to communicate — that is, through interaction with the parents. It's easy to understand, accept and learn too."

*Lesli Rosetti, PhD
Professor of Communicative Disorders
University of Wisconsin*

As you learn the strategies in the It Takes Two to Talk Program, you will have a chance to practice them with your child in many different situations. By the time the program is over, you'll have a whole new set of skills that you can use every day with your child.
