Manmohan Singh Sethi, 2015-08-28 Take the first step towards God and The Lord shall take a million steps towards you Prayer is the first step one can take on the path to God Realization which is the true purpose of human life Pain and Pleasure are the two sides of the same coin that act as the primary driving force of all human actions Everybody wants to avoid suffering and yearns for peace and happiness While all prayers are good and bring about peace and happiness Sikhism offers two special prayers that address peace and suffering The first one is Sukhmani Sahib which brings about peace and contentment and the second one is Dukh Bhanjani Sahib which focuses on removing pain and suffering Only The Lord's Name can bring about peace and can shield one from suffering The verses in each prayer guide the mortal to attempt to understand and live life in tune with the Will of The Immortal thereby removing all hardship and suffering The word Dukh means a hardship or ailment or suffering causing a pain The word Bhanjani means destroyer or crusher hence the phrase Dukh Bhanjani means Destroyer of Pain All the shabads in this composition are composed by Guru Arjan Dev Ji Dukh Bhanjani is a composition of sacred hymns put together in three Raags musical measures Raga Gauri Raga Bilaval and Raga Sorath This prayer is done in order to alleviate any form of ailments Dukh or hardship experienced Presented in this book is the Translation and Transliteration in English for those who cannot or are not well versed in the Gurmukhi script While every effort has been made to simplify the transliteration I encourage the reader to read the prayers while listening to them in audio format a couple of times This will help them grasp the correct pronunciation There is a link to the prayer in YouTube This will help to get the correct pronunciation or if you wish to just listen to the prayers After doing prayers regularly one can look for translation books to assist in helping understand the Bani Suitable to gift friends and family too The gift of Dhamma or Gian is the ultimate gift that brings joy and peace to the giver and the receiver There should be no hindrance on your part towards making the first step to God PRAY Jaap Sahib Nidhi Singh, 2018-02-11 and graces in this wondrous universe He gives us many epithets of the Supreme Being to dwell on and bow to God is beyond mundane and material aspects of birth or

death time dress form caste or religion fear or enmity greed or desire and all bends to his supreme will in this universe He can create give preserve and nourish or take away tear asunder and destroy as per will This prayer is held by Sikh liturgy second only to the Japji Sahib composed by Guru Nanak and is cherished as part of daily prayer routine or Nitnem of the devout and the god loving Much of the thought and concept of a monotheistic power eternal true beyond birth and indestructible that wields its power over all creation as developed by the successive Gurus is reinforced in this penultimate treatise of the final Guru The 199 verses of this prayer are set brilliantly to ancient Vedic and Sanskrit meter in vogue then so that the rhythm and beat of this prayer when sung either in a congregation in the temple or on the battlefield resounds equally as the becalming vibrations of the cosmic unheard sound as well as the thrilling pounding of hooves of the steeds of battle and the slashing of swords during combat in the true tradition of the Khalsa Saint Soldier as propounded by the tenth Guru This prayer is important in that it is the sum total of all that the preceding Gurus and the Sikh religion propound of their philosophy of the universe and the concept of the divine and hence understanding and imbibing it especially by the new generation is critical to understanding the Sikh faith

Japji Sahib: Pathway to Bliss ,2020-02-13 Do you want to be more content compassionate and joyful Have you heard amazing things about what Japji can do for you By devoting a few minutes each morning to this simple sacred prayer wonderful things become possible in your life I discovered this heart opening and life changing prayer about ten years ago while taking yoga classes at a Kundalini Yoga studio That studio offered an early morning sadhana spiritual practice every morning There was 15 minutes of vigorous physical exercise 75 minutes of singing various Kundalini spiritual songs and about 30 minutes of sitting still eyes closed listening to a recording of Japji The handful of times I went to early morning sadhana I found that I had a song in my heart for the rest of the day and this unconditional love for everyone around me and everything that happened And given that I am a stressed out driven and somewhat grumpy person the transformation itself was a near miracle But that studio was a two hour drive from my house so over time I lost touch with the studio and with that amazing early morning sadhana And then recently when I really needed some of that joy and serenity back in my life I began thinking about my long ago early morning sadhana experiences and I began wondering if maybe the actual mechanism of action was the fact that we listened to the recording of Japji I started listening to different Japji recordings on YouTube every morning trying to read along with the English transliterations provided But the transliterations I found were unclear they made reading Japji harder not easier I realized that if I wanted to keep going with my Japji experiment I would need to make a transliteration transcription that worked for me and that allowed me to mimic the Japji prayer reader reciter in real time This took me a long time since I could only spend early mornings and occasional weekends working on it As the weeks and months passed I realized that I was different I was responding differently to things thinking differently about things I was more patient more compassionate more content and understanding both with myself and with others I was experiencing more peace and joy in my life and the only thing I was doing differently in my life was I

was studying Japji a few minutes each morning I began to think that Japji had a power beyond my understanding and that the transliteration transcription I was working on could help other people and not just myself I hope you receive many blessings from your study of Japji and I hope you are able to achieve the changes in your heart mind and life that you ve always wanted Everything is due to God all virtues and powers are His thank you God for everything thank you for making this possible
