definition and most importantly THREE 3 to FIVE 5 sentences using the word in its varied contexts When appropriate those varied contexts include both literal and figurative uses of the word How will our Word List Help You Prepare for the GRE Performing well on the GRE General Test especially its Verbal Reasoning section requires a strong working knowledge of the vocabulary that appears in the questions how those words function both literally and figuratively how their meanings vary based on context and how in many cases they operate as more than one part of speech The following is an example of a question type the GRE refers to as Sentence Equivalence The test taker is instructed to select two 2 answer choices that when used to complete the sentence fit the meaning of the sentence as a whole and produce completed sentences that are alike in meaning The goal of the rebel forces was to _____ the current ruler in the hopes that as an expatriate he could not easily resume his control over the country A augment B supplant C exonerate D indemnify E conflate F oust To perform well on this test question the test taker must understand that words often function as different parts of speech and their varied uses must be determined by the context in which they are used The word expatriate for example is key to this question It is important to understand that it can be used as an adjective a noun or a verb Note that in this test question expatriate is clearly used as a noun because it is preceded by the article an In this context therefore expatriate refers to someone who is exiled to a foreign country From a foreign country an exiled ruler would have greater difficulty resuming power The answers must signify actions that remove a ruler from power and allow for his exile The two words that do this are oust and supplant Thus those are the 2 correct answers Using All Three 3 of our Word Lists Can Put Your Preparation on the Fast Track We offer three 3 Word Lists to help you prepare for the GRE List 1 List 2 and this list the Challenging list It is important to remember that your goal is to be fully conversant in as many of these vocabulary words as possible Why You must not only recognize and comprehend the words when you encounter them in GRE test questions but you must also utilize sophisticated vocabulary to express your own ideas in the Analytical Writing section of the test It is to your advantage therefore to have as many high level vocabulary words as possible at your disposal This is especially difficult to do if your preparation time is limited How Can our Word Lists Help You Beyond the GRE The goal of entrance exams like the GRE is to anticipate the test taker s likelihood of success in the field into which they seek entry Thus the long view of mastering sophisticated vocabulary is that doing so will not only help you prepare for the GRE but will simultaneously prepare you for what lies ahead comprehending analyzing and evaluating graduate level materials and writing with the complexity and sophistication expected of a graduate level student To put it simply a fully functioning high level vocabulary is the key to success in your graduate experience Prepare for success NOW **GRE Master Wordlist: 1535 Words for Verbal Mastery** Vibrant Publishers,2023-09-05 Are you gearing up for the GRE exam and feeling overwhelmed by the vast sea of words Look no further Introducing the ultimate solution to your vocabulary challenges GRE Master Wordlist 1535 Words for Verbal Mastery Crafted by GRE experts with years of experience this comprehensive guide is your ticket to mastering
