**David Wheeler**

## **Greek Stories A Gcse Reader:**

**Greek Stories** John Taylor, Kristian Waite, 2017-09-07 Greek Stories is an ideal first reader for students of Classical Greek. It offers 100 self-contained passages of manageable length chosen for their intrinsic interest and adapted from a wide range of ancient authors. Generous help is given with a short introduction to each story and glossing of all proper names and non GCSE vocabulary. The collection will also be attractive to older students beginning or returning to the language. Updated to match the 2016 OCR specification, this edition has been restructured to reflect the new examinations which now have a single language paper. Section 1 provides 30 passages starting with very short and simple stories and building up to the level of the current OCR GCSE. Section 2 provides 30 differentiated passages of increasing difficulty on historical topics. Section 3 provides 20 shorter passages of uniform length on mythological topics with comprehension questions in the style of Section A of the new GCSE language paper. Section 4 provides 20 passages on historical topics with comprehension and unseen sections in the style of Section B of the new GCSE language paper. The new edition is supported by a companion website with an answer key and additional passages.

**Greek to GCSE: Part 1** John Taylor, 2016-09-08 First written in response to a JACT survey of over 100 schools and now endorsed by OCR, this textbook has become a standard resource for students in the UK and for readers across the world who are looking for a clear and thorough introduction to the language of the ancient Greeks. Revised throughout and enhanced by coloured artwork and text features, this edition will support the new OCR specification for Classical Greek first teaching 2016. Part 1 covers the basics and is self-contained with its own reference section. It covers the main declensions, a range of active tenses and a vocabulary of 250 Greek words to be learned. Pupil confidence is built up by constant consolidation of the material covered. After the preliminaries, each chapter concentrates on stories with one source or subject: Aesop, Homer's Odyssey and Alexander the Great, providing an excellent introduction to Greek culture alongside the language study. Written by a long-time school teacher and examiner, this two-part course is based on experience of what pupils find difficult, concentrating on the essentials and on the understanding of principles in both accidence and syntax. Minor irregularities are postponed and subordinated so that the need for rote learning is reduced. It aims to be user-friendly but also to give pupils a firm foundation for further study.

**Greek to GCSE: Part 2** John Taylor, 2016-09-08 First written in response to a JACT survey of over 100 schools and now endorsed by OCR, this textbook has become a standard resource for students in the UK and for readers across the world who are looking for a clear and thorough introduction to the language of the ancient Greeks. Revised throughout and enhanced by coloured artwork and text features, this edition will support the new OCR specification for Classical Greek first teaching 2016. Part 1 covers the basics whilst Part 2 introduces a wider range of grammatical forms and constructions with a vocabulary of 435 words and reading material from Socrates and the Sophists to the world of myth and finally to extended passages of lightly adapted Herodotus. Practice passages, exam papers and revision sentences for GCSE complete Part 2, which has a reference section covering the whole course. Written by

a long time school teacher and examiner this two part course is based on experience of what pupils find difficult concentrating on the essentials and on the understanding of principles in both accidence and syntax minor irregularities are postponed and subordinated so that the need for rote learning is reduced It aims to be user friendly but also to give pupils a firm foundation for further study

**Latin Stories** Henry Cullen, Michael Dormandy, John Taylor, 2017-09-07 Latin Stories is an ideal first reader for students of Latin It offers 100 self contained passages of manageable length chosen for their intrinsic interest and adapted from a wide range of ancient authors Generous help is given with a short introduction to each story and glossing of all proper names and non GCSE vocabulary The collection will also be attractive to older students beginning or returning to the language Updated to match the 2016 OCR specification this edition has been restructured to reflect the new examinations which now have a single language paper Section 1 provides 30 passages starting with very short and simple stories and building up to the level of the current OCR GCSE Section 2 provides 30 differentiated passages of increasing difficulty on historical and miscellaneous topics Section 3 provides 20 shorter passages of uniform length on mythological topics with comprehension questions in the style of Section A of the new GCSE language paper Section 4 provides 20 passages on historical topics with comprehension and unseen sections in the style of Section B of the new GCSE language paper The new edition is supported by a companion website with an answer key and additional passages

*Teaching Classics Worldwide* Steven Hunt, John Bulwer, 2025-02-06 Designed for instructors in schools and universities as well as stakeholders and policy makers in education everywhere this book is a systematic guide to contemporary school teaching of classical languages literature and civilisation in major countries across the world This book examines the trends and assesses the rationale for such diversity in programmes of study and asks the question What are classical subjects for in today's schools Each chapter is arranged by geographical area and draws on the experiences of teachers and other education experts in each country commenting on contemporary practices Themes such as the impact of national education policies enrolment assessment accessibility and inclusion are discussed The teaching of Classics has wide variations in practices and purposes from one education system to another in some the teaching of Classics continues to be focused on the mastery of language and grammar in others active use of the ancient languages is growing in popularity and yet in others the focus is shifting towards the study of the languages and civilisations in translation Presenting an overview survey and comparison of practices across the world this book is essential reading for instructors and teaching training courses in the world of classical education

**Latin to GCSE Part 1** Henry Cullen, John Taylor, 2016-04-28 A companion to Bloomsbury's popular two volume Greek to GCSE this is the first course for Latin students that directly reflects the curriculum in a clear concise and accessible way Enhanced by colour artwork and text features the books support the new OCR specification for Latin first teaching 2016 as well as meeting the needs of later students both at university and beyond Written by two experienced school teachers one also an examiner the course is based on a keen understanding of what pupils find difficult concentrating on the essentials

and on the explanation of principles in both accidence and syntax minor irregularities are postponed and subordinated so that the need for rote learning is reduced User friendly it also gives pupils a firm foundation for further study Part 1 covers the basics and is self contained with its own reference section It outlines the main declensions a range of active tenses and a vocabulary of 275 Latin words to be learned Pupil confidence is built up by constant consolidation of the material covered After the preliminaries each chapter concentrates on stories with one source or subject the Fall of Troy the journeys of Aeneas the founding of Rome and the early kings providing an excellent introduction to Roman culture alongside the language study

*Latin to GCSE Part 2* Henry Cullen, John Taylor, 2016-04-28 A companion to Bloomsbury's popular two volume Greek to GCSE this is the first course for Latin students that directly reflects the curriculum in a clear concise and accessible way Enhanced by colour artwork and text features the books support the new OCR specification for Latin first teaching 2016 as well as meeting the needs of later students both at university and beyond Written by two experienced school teachers one also an examiner the course is based on a keen understanding of what pupils find difficult concentrating on the essentials and on the explanation of principles in both accidence and syntax minor irregularities are postponed and subordinated so that the need for rote learning is reduced User friendly it also gives pupils a firm foundation for further study Part 1 covers the basics whilst Part 2 introduces a wider range of grammatical forms and constructions with a vocabulary of 450 words and reading material about the developing Republic the war with Hannibal the rise of Julius Caesar and Augustus and the early emperors Practice passages and revision sentences for GCSE complete Part 2 which has a reference section covering the whole course
