are selling Many are nothing more than poor quality digital comb bound or ring bound photocopies that are scanned or printed complete with greasy pages and thumbprints and as such are deceptively described as pre owned used or even refurbished In addition they are often advertised for the incorrect series and or model years However VelocePress com has been publishing reprints of motorcycle and automobile manuals since 2003 and our publications have earned excellent reviews worldwide so you can be assured you are purchasing a quality product Kawasaki KL250 Kawasaki Jūkōgyō Kabushiki Kaisha.
