Bychkov**

Log Cabin Village History And Guide:

Log Cabin Village Terry G. Jordan, Terry G. Jordan-Bychkov, 1980-01-01 Log Cabin Village Texas State Historical Association, 1980 Historic Hood County Mary Estelle Gott Salterelli, 2009 An illustrated history of Hood County Texas paired with histories of the local companies **Log Cabin Village**, 198? *Explorer's Guide Dallas & Fort Worth: A Great Destination* Laura Heymann, Monica Prochnow, 2011-06-06 From real cowboys to the Dallas Cowboys sushi to steakhouses and honky tonks to opera houses Dallas Fort Worth has it all Unlike other guides this book covers the entire Metroplex some 110 communities across 10 counties There s so much to choose from but Heymann and Prochnow help you find the best of the best This imaginative guide provides a mix of high end and budget choices to fit all travelers needs **Directory of Historical Organizations in the United States and Canada** American Association for State and Local History, 2002 This multi functional reference is a useful tool to find information about history related organizations and programs and to contact those working in history across the country **The Cast Iron Forest** Richard V. Francaviglia, 2010-06-28 A thoughtful thorough and updated account of this bio region from the author of From Sail to Steam Four Centuries of Texas Maritime History 1500 1900 Great Plains Research Winner Friends of the Dallas Public Library Award Texas Institute of Letters 2001 A complex mosaic of post oak and blackjack oak forests interspersed with prairies the Cross Timbers cover large portions of southeastern Kansas eastern Oklahoma and north central Texas Home to indigenous peoples over several thousand years the Cross Timbers were considered a barrier to westward expansion in the nineteenth century until roads and railroads opened up the region to farmers ranchers coal miners and modern city developers all of whom changed its character in far reaching ways This landmark book describes the natural environment of the Cross Timbers and interprets the role that people have played in transforming the region Richard Francaviglia opens with a natural history that discusses the region s geography geology vegetation and climate He then traces the interaction of people and the landscape from the earliest indigenous inhabitants and European explorers to the developers and residents of today s ever expanding cities and suburbs Many historical and contemporary maps and photographs illustrate the text This is the most important original and comprehensive regional study yet to appear of the amazing Cross Timbers region in North America It will likely be the standard benchmark survey of the region for quite some time John Miller Morris Assistant Professor of Geography University of Texas at San Antonio **The Thompsons and Related Families**, 2015-09-30 The Thompson Family The Thompson family originally hails from Scotland The earliest known ancestor is Thomas Thompson who was born in 1545 in Glasgow Matthew Thompson 1692 1753 emigrated from County Donegal Ireland to Philadelphia in 1732 He then moved to Virginia in 1741 The Thompsons were Scotch Irish Presbyterians *Explorer's Guides West Texas* Judy Wiley, 2012-02-28 A guide to traveling in West Texas that provides information on the history of the area transportation sights activities outdoor areas accommodations restaurants entertainment shopping and special events **At the Heart of Texas** Richard B.

McCaslin,2014-04-01 History like that of Texas is rare Is it not discreditable to the people of Texas that they should leave the collection of material for the history of the State to the great endowed Northern libraries Let Texas arouse herself for very shame and begin at once the discharge of her filial duty So wrote George Pierce Garrison in the first issue of the Quarterly of the Texas State Historical Association published in July 1897 just months after the establishment of the organization on March 2 The state of Texas was just half a century old the city of Austin going back to the days of the Republic was a little older a few years past its half century and the University of Texas where Garrison was the history professor was not yet fourteen Earlier attempts to organize historical societies in Texas traced in the opening chapter illuminate the factors that came ultimately to be decisive in the success of the Association the wisdom in linking the organization with the University of Texas the inclusion of lay historians and the continued insistence on high academic standards And from the beginning the Association has established a tradition for publishing in the Quarterly in addition to the Anglo story the stories of the Indians the Spanish and the French According to author Richard B McCaslin It may be that the Association survived where its predecessors had not because Garrison who was as much a Progressive historian as any of his contemporaries understood the value of inclusiveness The text is organized in chronological chapters by the tenures of the seven directors George Garrison to Ron Tyler all of whom were professors in the UT history department Within the larger framework of the directors the programs and the publications McCaslin gives shape to the unique interaction of forces university political and the academic lay membership that has accorded the Association a character and suppleness that continues to ensure its long endurance The book is profusely illustrated and sidebars culled from past issues of the Quarterly complement the text Winner of the Award of Merit from the Philosophical Society of Texas

The Log Cabin in North America, Construction Techniques and Cultural Implications Carole Cable,1990 , **Inside the Comanchería, 1785** Pedro Vial,1994 **Fort Worth Parks** Susan Allen Kline,2010-01-01 Fort Worth sits on a blend of timber and prairie land that is transected by the Trinity River and its tributaries These physical attributes invited the creation of parks to preserve scenic landscapes and to provide Fort Worth residents with access to nature Generous land donations as well as the foresight of city leaders allowed for the acquisition of park land particularly after the formation of the park department in 1909 Local architects and such well known names as George E Kessler Hare and Hare Philip Johnson and Lawrence Halprin have left a rich legacy of nationally recognized parks and recreational amenities These include the Fort Worth Zoo Fort Worth Botanic Garden the Water Gardens Heritage Plaza Fort Worth Nature Center and Refuge and Fort Woof the city s first dog park

The Official Museum Directory, 1992 ,1992-12 **Frontier Blood** Jo Ella Powell Exley,2001 A must read for anyone with an interest in the far Southwest or Native American history **Texas Rangers, Ranchers, and Realtors** Thomas O. McDonald,2021-03-25 A native Georgian James Hughes Callahan 1812 1856 migrated to Texas to serve in the Texas Revolution in exchange for land In Seguin Texas where he settled he met and married a divorc e Sarah Medissa Day 1822

1856 The lives of these two Texas pioneers and their extended family would become so entwined in the events and experiences of the nascent nation and state that their story represents a social history of nineteenth century Texas From his arrival as a sergeant with the Georgia Battalion through the ill fated 1855 expedition that bears his name to his shooting death in a feud with a neighbor Callahan was a soldier a Texas Ranger a rancher and a land developer at every turn making his mark on the evolving Guadalupe River Basin Separately Sarah s family s journey reflected the experience of many immigrants to Texas after its war of independence Thomas O McDonald traces the pair s respective paths to their meeting then follows as together they contend with conflict troublesome social mores the emergence of new industries and the taming of the land along the way helping to shape the Texas culture we know today With a sharp eye for character and detail and with a wealth of material at his command author Thomas O McDonald tells a story as crackling with life as it is steeped in scholarly research In these pages the lives of the Callahan and Day families become a canvas on which the history of Texas from revolution frontier defense and Indian wars to Anglo settlement and emerging legal and social systems dramatically inexorably unfolds **The Sower and the Seer** Joseph Hogan,Jon Lauck,Paul Murphy,Andrew Seal,Gleaves

Whitney,2021-02-17 This collection of twenty two essays a product of recent revivals of interest in both Midwestern history and intellectual history argues for the contributions of interior thinkers and ideas in forming an American identity The Midwest has been characterized as a fertile seedbed for the germination of great thinkers but a wasteland for their further growth The Sower and the Seer reveals that representation to be false In fact the region has sustained many innovative minds and been the locus of extraordinary intellectualism It has also been the site of shifting interpretations to some a frontier to others a colonized space a breadbasket a crossroads a heartland As agrarian reformed and Michigander Liberty Hyde Bailey expressed in his 1916 poem Sower and Seer the Midwestern landscape has given rise to significant visionaries just as their knowledge has nourished and shaped the region The essays gathered for this collection examine individual thinkers writers and leaders as well as movements and ideas that shaped the Midwest including rural school consolidation women s literary societies Progressive era urban planning and Midwestern radical liberalism While disparate in subject and style these essays taken together establish the irrefutable significance of the intellectual history of the American Midwest

The Official Museum Directory 1991 ,1990 Lone Star Guide to the Dallas/Fort Worth Metroplex, Revised Robert R. Rafferty,Loys Reynolds,2003-08-18 The Dallas Fort Worth Metroplex is a nearly 40 mile long mega metropolitan area anchored by Dallas on one end and Fort Worth on the other with the area between filled in with more than a dozen attractive interconnected cities Among the unheralded facts about these interlocking cities are that they contain more restaurants per capita than New York City 5 000 in Dallas alone are home to all the major professional sports including NASCAR and rodeo and house 30 museums This guidebook gives readers detailed information on the wide range of choices in lodging restaurants and everything worth seeing and doing not only in Dallas and Fort Worth but in eleven of the smaller cities

between the two They include Addison Arlington Farmers Branch Garland Grand Prairie Grapevine Irving Mesquite North Richland Hills Plano and Richardson In addition to the categories one would normally expect in a guide book the authors have started each city listing with a description of free visitor services as well as Bird s Eye View spots great places to get a panoramic view of the city In Arlington it s the top of an oil derrick at Six Flags Finally for the truly adventurous there are plenty of Offbeat places of unusual interest that don t fit into the routine tourist categories
