Look Another Look A :

Take Another Look... A Guide for Understanding Ourselves Kevin K. Irish, 2004 This book uses facts history neutral observation light humor and personal experience to help guide others on how to overcome life s stress with simplicity and helps develop ways for understanding how and why we react to specific situations or events From the Author I am an artist writer senior product designer and animal lover I have studied History Psychology Sociology and Anthropology I have also studied various religions or beliefs as well as social political and current world events Excerpts and Illustrations From Chapter 1 What are we really We all came from this planet and we will all return to it is a quote I always use It s simple and concise The most important thing about it is that it s basically a truth that is not readily disputed Through burial upon death or natural decay what happens with our or any other living creatures physical remains it goes back to the earth Love At First Sight? You Better Take Another Look A Teenager's Guide To Righteous Living S.E.E. The Difference Sandranette Chenet, 2012-04-07 Having been inspired by God to write this book to help teens learn and understand the true meaning of love and to know that without the Love of God residing within each of us we are incapable of truly loving anyone else Scripture yea I swear unto thee and entered into a covenant with thee saith the Lord God and thou becamest mine Ezekiel 16 8b Have you ever wondered why someone who seems to have loved you so much last week and doesn t want anything to do with you today It seems strange Take another LOOK Was it really love Understand that the love God has for you is an Everlasting Love for He has made a vow and entered into a covenant that He will not break His Word is a love that is given to us which He will not take back **The View from the Grass Roots - Another Look** Gregory J. Rummo, 2010-04 Confidently recommended reading The View from the Grass Roots is filled from cover to cover with keen insights profound thoughts and a deep and diverse understanding of the human condition Midwest Book Review Rummo is uniquely qualified It is clear from the quality of his writing that he has been at this for quite a while Plenty of exercise for the mind and soul Willard Samuel Adjunct Scholar at Frontiers of Freedom Greg Rummo is a great writer and a great human being facts that shine like precious stones in his prolific output I have trouble not hating him for his talent and energy Joe Klock Sr Author and Syndicated Columnist Greg Rummo is one of my heroes His book masterfully gives a cohesive view of liberal politics and biased media and the impact they have on the American culture And he does it with engaging evidence Thomas Ciesielka TC Public Relations By approaching the latest public issues from the angle of religion informed by Christianity Gregory Rummo offers an attractive corrective to the assumptions often underlying coverage of stories in mainstream print media His unashamed point of view can be infuriating for example to state his case he often sets up so called liberals as targets then dismantles them by his arguments it is a facile device But there is much merit to what he says And he is never mean Which is high praise indeed Charles Saydah Letters to the Editor The Record Take Another Look David Hulse, 2010-04-22 If you are in the process of re examining old childhood beliefs and have realized there has to be a more excellent way this book is

for you With this in mind I invite you to Take Another Look at some of the most important tenants of fundamental Judeo Christian dogma We will explore these basic ideas from the cultural context in which they were experienced and written as well as the influences of the translators This will take us from a fear based message to the Gospel or good news with a love based premise In this day there are several versions of the Bible I suggest choosing the version which best suits your understanding of language II Timothy 2 15 says Study to shew thyself approved unto God a workman that needeth not to be ashamed rightly dividing the word of truth The study presented in this book is based on the Thompson Chain Reference Bible Strong s Exhaustive Concordance of the Bible the guidance of the inner teacher the Holy Spirit and spiritual common sense The result has challenged much of the second handed information that has been passed down through Christian patriarchy This scripture also mentions rightly dividing the word of truth To do this we need to discern which scriptures are inspired by God and which scriptures contain man s perceptions and hidden political and cultural agenda s I ask that you listen to your own inner Christ intelligence which is able to lead you into all truth rather than listening to the feeble attempts of men s voices on the paths that seem right who are only plunging us into the depths of unanswered questions ever learning but never able to come to the knowledge of the truth Another Look A. J. Abraham,2013-12-06 Another Look One God and Three Faiths is a unique study of sacred history and monotheism This book lends a refreshing sense of clarity to the misunderstandings between the three western religions Judaism Christianity and Islam Another Look compares the three faiths emphasizing their similarities and differences A J Abraham s research is prodigious reconstructing religious roots with insight and originality This comprehensive introduction will prove useful for both monotheists and followers of other religions

A Second Look Mark Hart,2016-03-07 Mark Hart brings stories of Biblical characters to life through Scripture the saints and his own real life reflections asking Are you willing to take a second look at the Jesus you currently know and allow Him to speak to you in new ways

Another Look at Revelation John Tipton,2010-11-01 The Book of Revelation is the only book in the Bible that promises a blessing to those who read and hear the words of this prophecy yet our nineteenth century interpretation has caused it to be scarcely mentioned in pulpits today When it is mentioned it is only referred to as a list of horrors that must be avoided at all cost by sneaking out the back door of the secret any moment rapture I don t believe that this is the blessing that God had in mind This book is an unfolding of the keys to understanding and meaning of the signs and symbols that make up the Revelation that God has led me into through the last four decades Who would have thought that the answer to the signs and symbols in the book of Revelation are found in the Bible itself Because of the progressive nature of truth I believe that God is finally in this day unlocking the truth that has the power to change our vision and life forever This book is by no means the final word on Revelation but I pray that it will at least point us in the right direction and be the catalyst for much more illumination of the plan and purpose of God for his people I believe that any true seeker of the truth will hear the truth bell ring loud and clear as they read and hear the words of this book

ANOTHER LOOK: Growing up in The Jim Crow South Betsy Bunn,2015-12-10 These writings are portraits of light and dark and the bittersweet realities of childhood and adolescence Stories reveal how the joy of black white friendships gives way to larger cultural forces and the necessary secrets and behaviors that keep the scaffolding of everyday life from toppling A trip to see her father late in his life opens long buried wounds and questions about the family childhood experiences and the corrosiveness of secrets and denials Her essays dare to look at the past in sweet and unsweet ways careful to let go of nostalgia when trumped by later insights She holds on to what she finds true and though the costs of

truth seeking are great we come to see the mirror of her life constantly changing as she adds insight to inform what she sees reflected back to her Would that we could do the same and stand before a mirror that more accurately reveals what we dare to learn Kendall Dudley **Mrs. Jeffries Takes a Second Look** Emily Brightwell,2012-09-04 If you like Downton Abbey you ll love Mrs Jeffries NOW IN ONE VOLUME THREE VICTORIAN MYSTERIES FEATURING MRS JEFFRIES A DETECTIVE IN THE HOUSE Everyone s awed by Inspector Witherspoon s Scotland Yard successes but they don t know about his secret weapon Her name is Mrs Jeffries and she keeps house for the Inspector and keeps him on his toes No matter how messy the murder or how dirty the deed her polished detection skills are up to the task Because as she knows all too well a crimesolver s work is never done Mrs Jeffries Takes Stock A businessman has been murdered and it could be because he cheated his stockholders The housekeeper s interest is piqued and when it comes to catching killers the smart money s on Mrs Jeffries Mrs Jeffries on the Ball A festive Jubilee celebration turns into a fatal affair and Mrs Jeffries must find the guilty party Mrs Jeffries on the Trail Why was Annie Shields out selling flowers so late on a foggy night And more important who killed her while she was doing it It s up to Mrs Jeffries to sniff out the clues **A Second Look at the Savior** Byron Smith,2017-02-27 Have you ever seen yourself in the gallery of pictures presented to us in scripture Maybe you see yourself as a Job pondering what Gods purpose is A Jonah as he is given a mission he doesnt want A Mary unsure of the path before her but willing to be Gods instrument This books purpose is to shed light on these questions that we bring before the throne of God Many times the response is to move forward and walk on water In these moments of our journey with Him we rejoice feeling the excitement of Seeking and Finding a God who is dreaming with us Other times we are presented with Be Still and Know lessons which cause many to stumble and question God as they feel swallowed up by the sea of life This study dives into the heart of both areas In doing so we will enter a much broader topic of pain and suffering where Gods silence and His answers meet A Second Look at the Savior is a thoughtful and inspiring testimony Byron walks us through Scripture and his own personal faith journey He leads us on a quest to recognize Gods calling to live a life of faith in the darkness He reminds us powerfully that God can be trusted in our most vulnerable moments Dr Mike Williams President Faulkner University Byron Smith has worked in several ministries over the last twenty years After receiving his BA in biblical studies through Faulkner University he has served as youth minister inner city evangelist and presently the director of Gulf Coast Bible Camp Throughout all these works he has been tied to the youth primarily and credits each and every one of them for helping him to keep a cool mind sharp wit and sense of humor A Second Look at the Savior is the first installment in a new series This book takes the reader down a path of discovery as we look at how God continues to shape us in His likeness No matter where we are on our individual walks with Him lessons are being presented I pray this book is an encouragement to you on your journey For more information on the Second Look series please visit www.ASecondLookBook.com *What Murphy Didn't Know: A Second Look* Kristin Blizzard,2017-07-05 Living laughing and loving are such a strong part of life We have good and
