Shaw, 2018-08-22 This book explores three worlds shared by the humans in their collective experiences It identifies and explores the world of commonsense the world of religion and the world of science as three essential dimensions of human experience The book helps understand that humans can gain comfort and pleasure in commonsense achieve meaning and purpose from religion and attain truth and rationality through science It actively applies theories to and develops theoretical explanations from different domains or situations of human existence This book is of interest to theorists researchers instructors and students across major academic disciplines in the humanities and social sciences

Individuals, Groups, and Business Ethics Chris Provis, 2012-05-16 Corporate social responsibility has become a heavily discussed topic in business ethics Identifying some generally accepted moral principles as a basis for discussion Individuals Groups and Business Ethics examines ethical dimensions of our relationships with families friends and workmates the extent to which we have obligations as members of teams and communities and how far ethics may ground our commitments to organisations and countries It offers an innovative analysis that differentiates amongst our genuine ethical obligations to individuals

counterfeit obligations to identity groups and complex role based obligations in organised groups It suggests that often individuals need intuitive moral judgment developed by experience reflection and dialogue to identify the individual obligations that emerge for them in complex group situations These situations include some where people have to discern what their organisations corporate social responsibilities imply for them as individuals and other situations where individuals have to deal with conflicts amongst their obligations or with efforts by other people to exploit them This book gives an integrated analytical account of how our obligations are grounded provides a major theoretical case study of such ethical processes in action and then considers some extended implications Handbook on the Study of Multiple Perpetrator Rape

Miranda Horvath, Jessica Woodhams, 2013-03-05 Whilst there is considerable literature on rape from various perspectives there is very little that focuses on rape committed by multiple perpetrators also referred to as group or gang rape For the first time this handbook brings together international multi disciplinary perspectives on multiple perpetrator rape The book is organised to provide readers with a comprehensive account of the thinking theorising and empirical evidence on multiple perpetrator rape to date Aspects covered include different contexts in which multiple perpetrator rape occurs such as gangs war fraternities South Africa experiences of women and girls as victims and perpetrators offence characteristics such as leadership and role taking aggression and violence the importance of group size the prosecution of and treatment of offenders and approaches to prevention The contributions to this collection are written by leading academics and practitioners from a variety of disciplines who bring together research and practice on multiple perpetrator rape by presenting new data from a strong theoretical and contextual base This book will be a key text for students and academics studying multiple perpetrator rape and an essential reference tool for professionals working in the field including police officers educationalists forensic psychologists youth workers probation staff lawyers judges and policy makers

Nationalism and Violence Christopher Dandeker, With contributions from leading scholars from the humanities and social sciences this book provides an interdisciplinary analysis of the roots of violent national conflicts within and between states It considers some of the key mechanisms of conflict resolution including economic interdependence and revised notions of sovereignty and the nation state **Reading Second Peter with New Eyes** Robert L. Webb, Duane F.

Watson, 2010-04-08 The letters of James 1 and 2 Peter and Jude are among the most neglected letters of the NT Thus methodological advances in NT study tend to arise among the Gospels or Pauline letters But these letters are beginning to receive increased attention in the scholarly community Reading Second Peter With New Eyes is the third of four volumes that incorporate research in this area The essays collected here examine the impact of recent methodological developments in New Testament studies to Second Peter including for example rhetorical social scientific socio rhetorical ideological and hermeneutical methods as they contribute to understanding this letter and its social context **Comparative Perspectives**

on Racism Jessika ter Wal, Maykel Verkuyten, 2019-06-04 This title was first published in 2000 The book gives a discussion

and many empirical examples of the possibilities for comparative research on racism In the book the questions and problems are discussed and the relative costs and benefits of comparative research are pointed out The question on what should be considered and solved when doing comparative research is central and the different chapters give specific answers Moreover the comparative issue is also raised with respect to the monitoring of racism in different countries and to initiatives for combating racism

Brian Tucker,Coleman A. Baker,2014-01-02 Combining the insights of many leading New Testament scholars writing on the use of social identity theory this new reference work provides a comprehensive handbook to the construction of social identity in the New Testament Part one examines key methodological issues and the ways in which scholars have viewed and studied social identity including different theoretical approaches and core areas or topics which may be used in the study of social identity such as food social memory and ancient media culture Part two presents worked examples and in depth textual studies covering core passages from each of the New Testament books as they relate to the construction of social identity Adopting a case study approach in line with sociological methods the volume builds a picture of how identity was structured in the earliest Christ movement Contributors include Philip Esler Warren Carter Paul Middleton Rafael Rodriguez and Robert Brawley

Leadership and Politics Adebowale Akande,2024-07-10 This volume sheds light on the world of organizational politics political leadership and the pivotal roles played by employees and political leaders in managing diverse groups It picks up where influential scholars like Edgar Schein Harry Triandis Bernard Bass Robert House Shalom Schwartz and Geert Hofstede left off providing a timely and transparent exploration of these crucial topics In a rapidly evolving landscape characterized by renewed interest in political skill people management leadership and management diversity training organizational culture workplace incivility ambivalence alliance and career development the book emerges as an invaluable resource assembling a group of renowned contributors in the field who have conducted extensive social research It offers a comprehensive view of contemporary organizational politics psychology at work DEI political skill will HRM leadership effectiveness organizational behavior and culture relationships in the workplace and emotions in politics favoritism workplace incivility ambivalent alliance people analytics and office politics and competition The book discusses the ongoing struggle between knowledge driven scholarship and dogmatic ideology in the workplace and beyond As organizations grapple with the challenges of today s business environment the book therefore is an indispensable guide for scholars consultants and leaders committed to driving continuous improvement and navigating the complex intersection of politics and leadership in the modern workplace *Using Focus Groups* Ivana Acocella,Silvia

Cataldi,2020-10-12 Drawing on the authors thirty years of combined experience in the field this authoritative step by step guide to conducting focus groups features dedicated chapters on all aspects of the research process Loaded with real world

research examples from across the social sciences and learning features such as expert advice and concepts and theories boxes as well as end of chapter exercises and further reading this is the perfect manual for novice researchers who want to conduct a successful focus group Let My People Go! Phoebe Chifungo, 2023-08-29 Let My people go and serve Me regardless of sex is the ultimate appeal from God Unfortunately some cultural practices and wrong interpretations of the Bible have excluded some especially women from attaining key leadership roles Culturally women are considered second class and men s property source of evil and weaker vessels A wrong interpretation of the scriptures has sidelined women from obtaining decision making positions This is the result of what may be called a One Dimensional Approach and a recommendation is made to re read the biblical texts as well as Chewa culture and the history of the synod with a Multi Dimensional Approach in which the literary theological rhetorical and historical cultural aspects are all considered because this approach liberates the oppressed and the marginalized
