Long Time Leaving Dispatches From Up South Long Time Leaving:

Long Time Leaving Roy Blount, Jr., 2009-01-16 I left the South in search of the Enlightenment I m pro choice in favor of gay marriage and against creationism and the war in Iraq But both my parents people are deep Southern from many generations and I spent a little over a third of my life including the presumably most formative years toilet training through college living in the South Mathematically that makes me just about exactly as Southern as the American people 34 percent of whom are Southern residents But it goes deeper than math my roots are Southern I sound Southern I love a lot of Southern stuff and when my Northern local paper announces a festival to celebrate the spirit of differently abled dogs I react as a Southerner I believe I care as much about dogs feelings as anybody It is hard for me to imagine that a dog with three legs minds being called a three legged dog A sly dry hilarious collection of essays his first in more than ten years from the writer who according to The New York Times Book Review is in serious contention for the title of America s most cherished humorist This time Blount focuses on his own dueling loyalties across the great American divide North vs South Scholarly raunchy biting and affable ol Roy takes on topics ranging from chicken fingers to yellow dog Democrats to Elvis s toes And he shares experiences chatting with Ray Charles rounding up rattlesnakes watching George and Tammy record meeting an Okefenokee alligator also named George or Georgette imagining Faulkner s tennis game and being swept up sort of in the filming of Nashville His yarns analyses and flights of fancy transcend all standard shades of Red Blue and in between Roy on language Remember when there was lots of agitated discussion of Ebonics pro and con I kept waiting for someone to say that if you acquire white English you can become Clarence Thomas whereas if you acquire black English you can become Quentin Tarantino Roy on eating The way folks were meant to eat is the way my family ate when I was growing up in Georgia We ate till we got tired Then we went Whoo and leaned back and wholeheartedly expressed how much we regretted that we couldn t summon up the strength right then to eat some more Roy on racism Anybody who claims not to have a racist bone in his or her body is at best preracist and has a longer way to go than the rest of us Blount s previous books have included reflections on a Southern president Jimmy Carter a novel about a Southern president Clementine Fox a biography of Robert E Lee a celebration of New Orleans a memoir of growing up in Georgia and the definitive anthology of Southern humor Long Time Leaving is the capper Maybe it won t end the Civil War at last but it does clarify or aptly complicate divisive delusions on both sides of the longstanding national rift It s a comic ode to American variety and also a droll assault on complacency North and South a glorious union of diverse pieces reshaped and expanded into an American classic from one of the most definitive and esteemed humorists of our time The Oxford American Book of Great Music Writing Marc Smirnoff, 2010-07-01 A compilation of fifty five dynamic and wide ranging essays from the pages of The Oxford American pays tribute to the lives and legacies of Southern musicians and the influence of musical trends and movements spawned in the American South on the development of American music with contributions by Nick Tosches Peter Furalnick Susan Straight

know Noam Chomsky Normally humans by maturity have tens of thousands of them Ali G What is some of em Da Ali G Show Did you know that both mammal and matter derive from baby talk Have you noticed how wince makes you wince Ever wonder why so many h words have to do with breath Roy Blount Jr certainly has and after forty years of making a living using words in every medium print or electronic except greeting cards he still can't get over his ABCs In Alphabet Juice he celebrates the electricity the juju the sonic and kinetic energies of letters and their combinations Blount does not prescribe proper English The franchise he claims is over the counter Three and a half centuries ago Thomas Blount produced Blount's Glossographia the first dictionary to explore derivations of English words This Blount's Glossographia takes that pursuit to other levels from Proto Indo European roots to your epiglottis It rejects the standard linguistic notion that the connection between words and their meanings is arbitrary Even the word arbitrary is shown to be no more arbitrary at its root than go to guy or crackerjack From sources as venerable as the OED in which Blount finds an inconsistency at whisk and as fresh as UrbanDictionary.com to which Blount has contributed the number one definition of alligator arm and especially from the author's own wide ranging experience Alphabet Juice derives an organic take on language that is unlike and more fun than any other

Consuming Identity Ashli Quesinberry Stokes, Wendy Atkins-Sayre, 2016-11-02 Southerners love to talk food quickly revealing likes and dislikes regional preferences and their own delicious stories Because the topic often crosses lines of race class gender and region food supplies a common fuel to launch discussion Consuming Identity sifts through the self definitions allegiances and bonds made possible and strengthened through the theme of southern foodways The book focuses on the role food plays in building identities accounting for the messages food sends about who we are how we see ourselves and how we see others While many volumes examine southern food this one is the first to focus on food's rhetorical qualities and the effect that it can have on culture The volume examines southern food stories that speak to the identity of the region explain how food helps to build identities and explore how it enables cultural exchange Food acts rhetorically with what we choose to eat and serve sending distinct messages It also serves a vital identity building function factoring heavily into our memories narratives and understanding of who we are Finally because food and the tales surrounding it are so important to southerners the rhetoric of food offers a significant and meaningful way to open up dialogue in the region By sharing and celebrating both foodways and the food itself southerners are able to revel in shared histories and traditions In this way individuals find a common language despite the divisions of race and class that continue to plague the South The rich subject of southern fare serves up a significant starting point for understanding the powerful rhetorical potential of all food

Save Room for Pie Roy Blount, 2016-03-15 Our best laid plans will yield to fate And we will say We lived We ate Roy Blount Jr is one of America's most cherished comic writers He's been compared to Mark Twain and James Thurber and his books have been called everything from a work of art Robert W Creamer The New York Times Book Review to a book to read till it falls apart Newsweek Now in Save Room for Pie he applies his much praised wit and charm to a rich and fundamental topic food As a

lifelong eater Blount always got along easy with food he didn't have to think he just ate But food doesn't exist in a vacuum there's the global climate and the global economy to consider not to mention Blount's chronic sinusitis which constricts his sense of smell and consequently his taste buds So while he's always frowned on eating with an ulterior motive times have changed Save Room for Pie grapples with these and other food related questions in Blount's signature style Here you'll find lively meditations on everything from bacon froth to grapefruit Kobe beef to biscuits You'll also find defenses of gizzards mullet okra cane syrup watermelon and boiled peanuts an imagined dialogue between Adam and Eve in the Garden of Eden input from Louis Armstrong Frederick Douglass and Blaze Starr and of course some shampooed possums and carjacking turkeys In poems and songs limericks and fake or sometimes true news stories Blount talks about food in surprising and innovative ways with all the wit and verve that prompted Garrison Keillor in *The Paris Review* to say Blount is the best He can be literate uncouth and soulful all in one sentence

Fire Ants and Other Stories Gerald Duff, 2007-07-01 Publisher's Weekly hailed the wit and subtlety in Gerald Duff's fiction as simply satisfying as a tall cold one on a hot Gulf Coast afternoon and the *Arkansas Democrat-Gazette* said Gerald Duff's dialogue is among the best being written and his sense of the absurd is Portis like This new collection of short stories by the author of *Coasters* 2001 features the Ploughshares Cohen Prize winning story **Fire Ants**

Alphabetter Juice, or The Joy of Text Roy Blount, 2011-05-10 Fresh squeezed Lexicology with Twists No man of letters savors the ABC's or serves them up like language loving humorist Roy Blount Jr His glossary from adhominy to zizz is hearty full bodied and out to please discriminating palates coarse and fine In 2008 he celebrated the gists tangs and energies of letters and their combinations in *Alphabet Juice* to wide acclaim Now *Alphabetter Juice* Which is better This book is for anyone novice wordsmith sensuous reader or career grammarian who loves to get physical with words What is the universal sign of disgust ew doing in beautiful and cutie Why is toadless but not frogless in the *Oxford English Dictionary* How can the U.S. Supreme Court find relevance in gollywoddles Might there be scientific evidence for the sonicky value of hunch And why would someone not bother to spell correctly the very word he is trying to define on *Urbandictionary.com* Digging into how locutions evolve and work or fail Blount draws upon everything from *The Tempest* to *The Wire* He takes us to Iceland for salmon watching with a girl gillie and to Georgian England where a distinguished etymologist bites off more of a giantess than he can chew Jimmy Stewart appears in connection with kludge and the bombing of Switzerland Litigation over supercalifragilisticexpialidocious leads to a vintage werewolf movie news of possum tossing to metanarrative As Michael Dirda wrote in *The Washington Post Book World* The immensely likeable Blount clearly possesses what was called in the Italian Renaissance sprezzatura that rare and enviable ability to do even the most difficult things without breaking a sweat *Alphabetter Juice* is brimming with sprezzatura Have a taste
