- Observe and perform proper handling of knife.

**LEARNING CONTENTS** (title of the subsection)

Lesson 1.1
FOOD SERVICE INDUSTRY
HISTORY AND MODERN INNOVATIONS

Cooking, the act of using heat to prepare food for consumption. Cooking is as old as civilization itself, and observers have perceived it as both an art and a science. Its history sheds light on the very origins of human settlement, and its variety and traditions reflect unique social, cultural, and environmental influences.

Culinary history can be observed to have been influenced by the following factors that have all contributed to the development of the modern-day cuisine.

- Accidental discovery of fire
- Origin of simple methods of cooking
- Invention of simple cooking appliances
- Geographical influences & the growth of regional cuisines
- Regional cuisines

Study Guide to Accompany Gwartney, Stroup, and Clark's Essentials

of Economics J.R. Clark, 2014-05-10 Study Guide to Accompany Gwartney Stroup and Clark's Essentials of Economics Second Edition provides additional features which can be used as reference for students who are using the textbook Essentials of Economics Second Edition. The book sections contain self tests and challenge questions which are so designed that the student who can answer the self test questions will consistently be able to answer those found in the Instructor's Manual and Test Bank. The text encourages the student to follow four steps to get the most out of the study guide. The student should follow these steps: 1. Actively participate in the learning process. 2. Seek out prompt accurate feedback regarding what the student has learned. 3. Learn the relevance of the concepts. and 4. Learn to address economic issues and policies critically. The book covers question topics such as supply demand market process public sector aggregate demand and equilibrium in a simple Keynesian model. The book also deals with questions and problems on skill acquisition job market and gains from international trade. The text will be a valuable aid to many students of economics whether they are economics majors or just taking the subject as a requirement in another course. Professors and lecturers of economics and business courses will also benefit from it.
