Learning From The Stranger Christian Faith And Cultural Diversity:

Learning from the Stranger David I. Smith, 2009-06-09 Cultural differences increasingly impact our everyday lives. Virtually none of us today interact exclusively with people who look, talk, and behave like we do. David Smith here offers an excellent guide to living and learning in our culturally interconnected world. *Learning from the Stranger* clearly explains what culture is, discusses how cultural difference affects our perceptions and behavior, and explores how Jesus' call to love our neighbor involves learning from cultural strangers. Built around three chapter-length readings of extended biblical passages from Genesis, Luke, and Acts, the book skillfully weaves together theological and practical concerns, and Smith's engaging, readable text is peppered with stories from his own extensive firsthand experience. Many thoughtful readers will resonate with this insightful book as it encourages the virtues of humility and hospitality in our personal interactions and shows how learning from strangers, not just imparting our own ideas to them, is an integral part of Christian discipleship. **Christians**

and Cultural Difference David I. Smith, Pennylyn Dykstra-Pruim, 2016-06-01 Cultural differences are everywhere. Understanding these differences is now a basic life skill for all of us, not just for missionaries or world travelers. This book offers a brief critical overview of Christian ways of thinking about how and why we should relate to other cultures.

Faith and English Language Teaching and Learning Mary Shepard Wong, Carolyn Kristjansson, Zoltan Dornyei, 2013-02-15 Ideological and educational/political aspects of the link between language and faith, especially between Global English and Christianity, is a topic of growing interest in the field of English language teaching. This book explores the possible role and impact of teachers' and students' faith in the English language classroom. Bringing together studies representing a diversity of experiences and perspectives on the philosophies, purposes, practices, and theories of the interrelationship of Christianity and language learning and teaching, it is on the front line in providing empirical data that offers firm insights into the actual role that faith plays in various aspects of the language learning/teaching experience. By adding a data-based dimension, the volume contributes to the cultivation of valid research methods and innovative ways to

analyze and interpret studies of the intersection of Christian faith and the practice of teaching and learning language

Journeying in the Wilderness Terri Martinson Elton, 2020-02-04 In *Journeying in the Wilderness* author Terri Martinson Elton observes that faith formation in the church setting is contextual and multiple forces are coming together today to create seismic contextual changes at record speed These changes are disrupting aspects of our lives challenging assumptions and dislodging personal and communal practices For the church to take seriously its call to form faith in each generation it must be attentive to current contextual realities Elton places confessional understanding of faith in dialogue with five contextually altering forces in order to provide a pathway for congregations to reimagine faith formation in the midst of twenty first century realities The use of stories nontechnical language and biblical perspectives make this work accessible for congregational leaders and others who seek to explore new directions in forming faith Processes and practices are offered to help both leaders and congregations contextualize their approach to their particular settings Each chapter includes

leadership competencies shared practices and group discussion questions

Reading Theology Wisely Kent Eilers, 2022-05-24 Could reading theology turn you toward God in astonished worship Could it enliven your reading of Scripture Could it move you toward your true self in Christ Could it turn you toward your neighbors in self giving love Could it unmask your prejudices Could it dethrone your idols Should we hope for anything less In this illuminating introduction Kent Eilers invites Christians of all backgrounds into the practice of reading theology With a classroom tested approach Eilers shows how theology can form the imagination and enhance the human capacity for perceiving reality beyond the surface of things allowing Christians to see and experience God in the everyday He then guides readers through the essential

facets of theology so that it can begin to feel familiar and accessible even and especially to beginners with no prior experience Written conversationally and illustrated beautifully with art by Chris Koelle Reading Theology Wisely is welcoming and engaging in every respect Eilers takes a well rounded approach to his subject utilizing Scripture and the wisdom of past thinkers as well as references to film and the arts including a special emphasis on architecture as part of an ongoing metaphor of inhabiting texts as we do physical spaces Each chapter ends with a prayer and questions for reflection and discussion followed by a theology lab in which readers can put the content of the preceding chapter into practice

The World on our Doorstep Dewi Hughes, 2016 Written to equip and inspire mission and engagement with other faiths the book mixes practical examples with pastoral advice for working alongside people becoming Christians from other faith backgrounds Publisher
