## **Learning In Adulthood A Comprehensive Guide:**

**Learning in Adulthood** Sharan B. Merriam, Rosemary S. Caffarella, Lisa M. Baumgartner, 2006-10-27 In this updated landmark book the authors have gathered the seminal work and most current thinking on adult learning into one volume. Learning in Adulthood addresses a wide range of topics including Who are adult learners? How do adults learn? Why are adults involved in learning activities? How does the social context shape the learning that adults are engaged in? How does aging affect learning ability? *Learning in Adulthood* Sharan B. Merriam, Lisa M. Baumgartner, 2020-02-05 The new edition of the authoritative book in the field of adult education fully revised to reflect the latest research and practice implications. For nearly three decades Learning in Adulthood has been the definitive guide in the field of adult education. Now in its fourth edition, this comprehensive volume is fully revised to reflect the latest developments in theory, research, and practice. The authors integrate foundational research and current knowledge to present fresh, original perspectives on teaching and learning in adulthood. Written by internationally recognized experts, this market-leading guide draws from work in sociology, philosophy, critical social theory, psychology, and education to provide an inclusive overview of adult learning. Designed primarily for educators of adults, this book is accessible for readers new to adult education yet suitably rigorous for those more familiar with the subject. Content is organized into four practical parts covering topics such as the social context of adult learning, self-directed and transformational learning, postmodern and feminist perspectives, cognitive development in adulthood, and more. Offering the most comprehensive single-volume treatment of adult learning available, this landmark text offers a wide-ranging perspective on adult learning, synthesizes the latest thinking and work in the field, includes coverage of the sociocultural perspectives of adult learning, explores the broader social implications of adult education. **Learning in Adulthood A Comprehensive Guide 4th Edition** is an indispensable resource for educators and administrators involved in teaching adults as well as faculty and students in graduate programs in adult education. **Learning in Adulthood** Sharan B. Merriam, Rosemary S. Caffarella, 1991-04-30 Bringing together the seminal works of Malcolm Knowles, K. Patricia Cross, J. Roby Kidd, and others as well as the most recent adult learning theories and research, this book provides a comprehensive overview of all that is known about adult learning. Readable, thorough, and up to date in its coverage, the volume not only reviews the tenants of adult learning itself but also examines learning in the context in which it takes place and of what participants learn and why. It also explores the nature of the learning process itself as well as issues relevant to the practice of adult learning. **Learning in Adulthood** Sharan B.
