Learning Latin Through Mythology Cambridge Latin Texts:

Learning Latin through Mythology Jayne Hanlin, Beverly Lichtenstein, 1991-07-26 Learning Latin Through Mythology is a highly illustrated workbook to introduce elementary students to Latin using simplified versions of the popular myths of ancient Greece and Rome The book consists of thirteen units each including a short English version of a myth an illustrated Latin version with vocabulary explanations a related Latin grammar activity plus related writing and open ended projects Innovative review exercises enhance the thirteen units It captures students interest in Latin through the myths motivating them to translate the Latin and complete the other activities References to mythology are commonplace in advertising the media and the theater and so it is essential that students understand the allusions to mythological characters The lively and unique approach to learning Latin demonstrated by this workbook makes Learning Latin Through Mythology an interesting and useful introduction to simple Latin

The Devil Knows Latin E. Christian Kopff, 2014-05-27 The Devil Knows Latin is a provocative and illuminating examination of contemporary American culture Its range is broad and fascinating Whether discussing the importance of Greek and Latin syntax to our society examining current trends in literary theory education and politics or applying a classical perspective to contemporary films Christian Kopff Professor of Classics at the University of Colorado is at home and on the mark He outlines the perils and possibilities for America in the coming decades with learning and verve demonstrating that the highway to a creative and free future begins as a Roman road

Learning Latin and Greek from Antiquity to the Present Elizabeth P. Archibald, William Brockliss, Jonathan Gnoza, 2015-02-26 This volume provides a unique overview of the broad historical geographical and social range of Latin and Greek as second languages It elucidates the techniques of Latin and Greek instruction across time and place and the contrasting socio political circumstances that contributed to and resulted from this remarkably enduring field of study Providing a counterweight to previous studies that have focused only on the experience of elite learners the chapters explore dialogues between center and periphery between pedagogical conservatism and societal change between government and the governed In addition a number of chapters address the experience of female learners who have often been excluded from or marginalized by earlier scholarship

The Complete Home Learning Sourcebook Rebecca Rupp, 1998 Lists all the resources needed to create a balanced curriculum for homeschooling from preschool to high school level

Starting to Teach Latin Steven Hunt, 2016-02-11 This handbook for teachers provides both practical up to date guidance and a theoretical overview on a number of key topics in Latin teaching Using a wealth of interviews observations and pupil transcripts Steven Hunt title utilizes case study evidence of excellent practice in teaching and learning from a wide variety of institutions from outreach programmes community schools and academies in the UK to New York Charter Schools KIP schools and schools in Eastern Seaboard states in the USA Offering practical advice on topics such as essay writing teaching controversial topics including women slavery ethnicity and social hierarchy making use of primary sources and using ICT to advance language skills the

book also engages with broader questions of approach and theory These include a survey of the three main approaches to Latin teaching grammar translation communicative and reading approaches explanation of cognitive and social approaches to learning and analysis of the differences between intrinsic and extrinsic motivation Moreover traditional arguments about the value and purpose of learning Latin at school level are re examined in the light of current educational thinking and government policy making This book is invaluable for trainees newly qualified teachers and more experienced practitioners looking for practical ideas and strategies to motivate and engage learners of Latin A companion website www.startingtoteachlatin.org is under construction and will contain a range of resources and information for teachers

Latin for the 21st Century Richard A. LaFleur, 1998 Essays discuss methods of Latin instruction from elementary schools to graduate education Includes resources *Aztec Latin* Andrew Laird, 2024 In 1536 only fifteen years after the fall of the Aztec empire Franciscan missionaries began teaching Latin classical rhetoric and Aristotelian philosophy to native youths in central Mexico The remarkable linguistic and cultural exchanges that would result from that initiative are the subject of this book *Aztec Latin* highlights the importance of Renaissance humanist education for early colonial indigenous history showing how practices central to humanism the cultivation of eloquence the training of leaders scholarly translation and antiquarian research were transformed in New Spain to serve Indian elites as well as the Spanish authorities and religious orders While Franciscan friars inspired by Erasmus ideal of a common tongue applied principles of Latin grammar to Amerindian languages native scholars translated the Gospels a range of devotional literature and even Aesop's fables into the Mexican language of Nahuatl They also produced significant new writings in Latin and Nahuatl adorning accounts of their ancestral past with parallels from Greek and Roman history and importing themes from classical and Christian sources to interpret pre Hispanic customs and beliefs *Aztec Latin* reveals the full extent to which the first Mexican authors mastered and made use of European learning and provides a timely reassessment of what those indigenous authors really achieved

The Cambridge History of Latin America Leslie Bethell, 1984 This volume discusses trends in twentieth century Latin American literature philosophy art music and popular culture **The Classical Outlook**, 2003 *Heroic Saga and Classical Epic in Medieval Ireland* Brent Miles, 2011 An examination of the ways in which works of Classical literature influenced and were received by the native Irish tradition Original innovative work which elucidates a number of individual narratives but more significantly by placing these texts in their proper intellectual context the author demonstrates how the world of learning in eleventh and twelfth century Ireland really worked He illuminates a world of medieval education and scholarship he tells us as no one has done previously what medieval Irish classicism was all about Dr Mireni Mhaonaigh St John's College University of Cambridge The puzzle of Ireland's role in the preservation of classical learning into the middle ages has always excited scholars but the evidence from the island's vernacular literature as opposed to that in Latin for the

study of pagan epic has largely escaped notice In this book the author breaks new ground by examining the Irish texts alongside the Latin evidence for the study of classical epic in medieval Ireland surveying the corpus of Irish texts based on histories and poetry from antiquity in particular Togail Troi the Irish history of the Fall of Troy He argues that Irish scholars study of Virgil and Statius in particular left a profound imprint on the native heroic literature especially the Irish prose epic T in B C ailnge The Cattle Raid of Cooley BRENT MILES is a Fellow in Early and Medieval Irish University College Cork

Latin I ,1992 **Resources in Education** ,1976 Classical Literature and Learning in Medieval Irish Narrative
Ralph O'Connor,2014 This edited volume will make a major contribution to our appreciation of the importance of classical literature and learning in medieval Ireland and particularly to our understanding of its role in shaping the content structure and transmission of medieval Irish narrative Dr Kevin Murray Department of Early and Medieval Irish University College Cork From the tenth century onwards Irish scholars adapted Latin epics and legendary histories into the Irish language including the Imtheachta Aeniasa the earliest known adaptation of Virgil s Aeneid into any European vernacular Togail Tro a grand epic reworking of the decidedly prosaic history of the fall of Troy attributed to Dares Phrygius and at the other extreme the remarkable Merugud Uilixis meic Leirtis a fable like retelling of Ulysses s homecoming boiled down to a few hundred lines of lapidary prose Both the Latin originals and their Irish adaptations had a profound impact on the ways in which Irish authors wrote narratives about their own legendary past notably the great saga T in B C ailnge The Cattle Raid of Cooley The essays in this book explore the ways in which these Latin texts and techniques were used They are unified by a conviction that classical learning and literature were central to the culture of medieval Irish storytelling but precisely how this relationship played out is a matter of ongoing debate As a result they engage in dialogue with each other using methods drawn from a wide range of disciplines philology classical studies comparative literature translation studies and folkloristics Ralph O Connor is Professor in the Literature and Culture of Britain Ireland and Iceland at the University of Aberdeen Contributors Abigail Burnyeat Michael Clarke Robert Crampton Helen Fulton Barbara Hillers M ire N Mhaonaigh Ralph O Connor Erich Poppe Paperbound Books in Print ,1992 *Words on Cassette* ,2002 R R Bowker Publishing,2002 **A Study of the Rural Schools of Saline County, Missouri** Joseph Doliver Elliff,Abner Jones,1914 **Expurgating the Classics** Bloomsbury Publishing,2012-12-20 In the first collection to be devoted to this subject a distinguished cast of contributors explores expurgation in both Greek and Latin authors in ancient and modern times The major focus is on the period from the seventeenth to the twentieth century with chapters ranging from early Greek lyric and Aristophanes through Lucretius Horace Martial and Catullus to the expurgation of schoolboy texts the Loeb Classical Library and the Penguin Classics The contributors draw on evidence from the papers of editors and on material in publishing archives The introduction discusses both the different types of expurgation and how it differs from related phenomena such as censorship

Networks of Learning Sita Steckel,Niels Gaul,Michael Grünbart,2014 Cultures of learning and practices of education in

the Middle Ages are drawing renewed attention and recent approaches are questioning the traditional boundaries of institutional and intellectual history This book assembles contributions on both Byzantine and Latin learned culture and locates medieval scholars in their religious and political contexts instead of studying them in a framework of schools The contributions offer complementary perspectives on scholars and their work discussing the symbolic and discursive construction of religious and intellectual authority practices of networking and adaptations of knowledge formations Series Byzantinistische Studies and Texts Byzantinistische Studien und Texte Vol 6 Subject Medieval Studies History Education
