**Digital Solutions** Olivier Serrat, 2022-12-14 This book acts as a valuable quick access resource on the challenges and opportunities that the digital age presents to organizational leadership. Balanced, comprehensive, and thought provoking, the book will be useful to professionals and practitioners. The book broadly follows a macro, meso, and micro approach to argumentation and is best read from beginning to end. The book synthesizes the historical context of technological revolutions and reflects on first order results from enhanced use of information and communication technology in organizations, considers second level impacts from information and communication technology on economy, society, work, and the very act of organizing, maps out core concepts of agility and principles that leaders should honor to exploit agility in new found workforce ecosystems, showcases emerging leadership behaviors and mindsets, and specifies the good practice needed to plan and lead digital strategies. The book invites reference to the author's popular *Knowledge Solutions: Tools, Methods, and Approaches to Drive Organizational Performance* 2017 and the more recent *Leading Solutions: Essays in Business Psychology* 2021, which it both rests on and extends.

**Mindful Leadership: Emotional Intelligence Collection (4 Books)** Harvard Business Review, Daniel Goleman, Richard E. Boyatzis, Annie McKee, Fran Johnston, 2015-10-13 This digital collection curated by Harvard Business Review offers four books on the topic of emotional intelligence found by bestselling author Daniel Goleman to be twice as important as other competencies in determining outstanding leadership. In *Primal Leadership* With a New Preface by the Authors, the authors show that great leaders excel not just through skill and smarts but by connecting with others using emotional intelligence competencies like empathy and self awareness. The best leaders are resonant leaders, individuals who manage their own and others' emotions in ways that drive success. In *Resonant Leadership*, Richard Boyatzis and Annie McKee provide an indispensable guide to overcoming the vicious cycle of stress, sacrifice, and dissonance that afflicts many leaders and offer a field tested framework for creating the resonance that fuels great leadership. And in *Becoming a Resonant Leader*, Annie McKee, Richard Boyatzis, and Frances Johnston share vivid real life stories illuminating how people can develop emotional intelligence, build resonance, and renew themselves. Finally, HBR's 10 Must Read on Emotional Intelligence presents 10 articles by experts in the field of emotional intelligence, all of which will inspire you to monitor and channel your moods.
