

Disability

Disability

a curse or a blessing in disguise

an disadvantage or and advance

the ups and downs of my disability

I wonder why they call it that

'disability'

let's break it down

and see what we found

'dis' lets see is my opinion

it can mean a lot of things

it could mean I can't do something

it could mean that I'm making fun somebody

'ability'

to do whatever you want

to say whatever

the ability to do anything

now that we got that out of the way

this is what a disability means to me

it's a blessing

it makes me unique in my own special way

yes it has ups and downs

but even without it

I would still have ups and downs
