Like Jesus Ralph Loren Lewis, Gregg Lewis, 1989 *Telling The Story* Gary E Wright, 2021-09-03 Telling the Story Learning to Teach and Preach like Jesus is Dr Gary E Wright s fifty years plus life journey condensed to book form Dr Wright first started preaching with his father Eugene Wright when he was just a young boy He learned many lessons from his father and many other lessons the hard way Along the way he realized that there was a perfect example of a teacher and a preacher contained in the Bible Jesus Christ Christ taught His disciples and His words endure today Every person who comes to faith in Jesus Christ comes through Christ s own testimony Christ testified to who He is and to who we are He calls us children heirs and friends He provided a pattern and a pedagogy for teaching from a unique perspective He made us He knows us better than we know ourselves Could there be a better example of a teacher for us to follow **Learning to Lead Like**

Jesus Boyd Bailey, 2018-07-03 Have You Ever Met a Great Leader It s incredible when someone uses their gifts to make you feel valued and inspire you to greatness What does it take to develop that kind of heart and influence How can you become a leader like Jesus Join Boyd Bailey as he shows you how to mirror Jesus s heart and make a positive difference in those around you Explore 11 common traits that mark successful leaders and learn the keys to growth in wisdom and humility Through practical teaching you will find that great leadership begins when you turn your focus to God and model Him in your attitude

conversations and actions A faithful life and humble spirit make you a leader worth following When you lean into the Lord and learn from His example of perfect leadership you will see lives transformed beginning with your own Preaching Jesus Charles L. Campbell,2006-09-01 The post liberal cultural linguistic theology of the Yale School has been one of the most important theological developments in the United States during the latter twentieth century In this unique book which combines theological analysis and homiletical reflection Charles Campbell examines post liberal theology as it is embodied in the work of Hans Frei and develops the implications of this theological position for the theory and practice of preaching Arguing that the trouble with homiletics today is fundamentally theological Campbell offers Frei s theological position as a means for enriching the Christian pulpit and renewing the church Preaching to a Postmodern World Graham M. Johnston,2001-07-01 While growing churches dot our urban centers and country landscapes church goers and students today are actually less likely to maintain a Christian worldview than in the past In fact the majority of society does not even believe in objective truth A minister out of touch with this culture is like an uninformed missionary trying to teach in a foreign country To communicate God s Word effectively in the twenty first century teachers need to know how to connect with and confront an audience of postmodern listeners In *Preaching to a Postmodern World* Johnston shows pastors seminary students professors lay teachers and church leaders can reach the present age without selling out to it The book discusses how to distinguish between modernism and postmodernism understand postmodern worldviews change the style of preaching without compromising the substance take advantage of new opportunities provided by the cultural shift show an inattentive society the relevance of God s truth The author s keen insights into contemporary pop and media culture also help equip speakers to address today s listeners with clarity and relevance *A Philosophy of Pastoral Preaching* David A. Christensen,2023-05-26 I am a pastor I preach Doesn t that make me a pastoral preacher Not necessarily Many preach missional rather than pastoral sermons designed to appeal to the unchurched not the church The popularity of regional churches and the global reach of the internet allow preachers to focus their sermons on people they do not know and market a message to an audience they never see Evangelical leaders produce many resources on attractional preaching but who is developing a vision for pastoral preaching David Christensen draws on years of experience to develop a philosophy of pastoral preaching He writes Social media changes the way we preach More and more pastors are preaching clickbait sermons These are sermons designed to get clicks or attract interest rather than teach truth We want catchy titles and clever analogies that will grab people s attention because the digital world is built on attention whatever will get likes or drive outrage However pastoral preaching builds community It is rooted in local soil to the people we know in the place we live We need a philosophy of preaching that shepherds a community of disciples who worship together in one place By the Book Nomer Bernardino, The Preacher as Storyteller Austin B. Tucker,2008-06-01 The Preacher as Storyteller takes a skills development approach to its timely homiletics topic In short author Austin B Tucker reasons that You can greatly improve

your preaching by sharpening storytelling skills A story can touch the latch spring of the heart to let the life changing gospel come in This book clearly helps pastors and pastoral students improve the effectiveness of their preaching by better understanding and employing the techniques of great storytelling **Rick Warren and the Purpose that Drives Him** Richard Abanes,2005 In a book that includes an exclusive interview with Rick Warren Abanes a bestselling author and former staff member at Warren s church takes a balanced and positive look at issues that have been raised about the purpose driven concepts **Homiletical Handbook** Donald L. Hamilton,1992-10-01 Homiletical Handbook is a primer for those who are called to preach It is intentionally simple in its explanation of the homiletical task and straightforward in getting to the point It is solid in its theology and biblical in its approach **Preaching Christ in a Postmodern Culture** K. A. Beville,2010-04-16 Starting with some observations relating to shifts in ecclesiology and identifying them as a move beyond contextualization to syncretism this work goes on to assess the feasibility of preaching in a postmodern culture which rejects both the idea of absolute truth and authority used as power It traces the historical and philosophical development of postmodernism The Enlightenment project is deemed to have failed and Christianity is perceived as an oppressive metanarrative In a world that is becoming increasingly sceptical and where preaching practitioners are becoming disillusioned this book offers some guidelines about preaching to postmoderns In a relational age rationality is impotent but the author distinguishes between authoritative and authoritarian preaching allowing hope for the survival of the homiletic task Humility is presented as preferable to certitude and persuasion is redefined The author suggests using an inductive mode of communication as a means of engaging postmodern listeners He signposts a way forward in the labyrinthine complexity of the new paradigm and demonstrates that the homiletic task is still feasible Thus this book will be of interest to teachers and students of theology as well as pastors desiring to develop a new apologetic strategy *Humor Us!* Alyce M. McKenzie,Owen Hanley Lynch,2023-06-06 Homiletics textbooks often discourage the use of humor in preaching regarding it as trivializing or distracting The result is that many preachers have failed to understand humor s positive power demoting it to the opening joke to get a guaranteed guffaw to warm up the crowd *Humor Us* the second volume in the *Preaching and* series is a collaborative effort by homiletician Alyce M McKenzie and humor scholar Owen Hanley Lynch that promotes humor a force capable of great good to its rightful place in the pulpit Establishing humor as a divine gift *Humor Us* opens to preachers the world of humor studies with its positive portrayal of humor s usefulness to speak truth to power unite people in their common humanity and strengthen them to cope and survive in tough times *Humor Us* helps preachers understand how humor works and shows them in very practical and specific ways how preachers can put it to work in their sermons It combines the wealth of knowledge of two highly regarded scholars practitioners to show how humor can become a potent tool for sharing the good news in sermons McKenzie and Lynch prove that humor when applied thoughtfully can foster compassion and a sense of common humanity help challenge an unjust status quo and invite listeners into a shared

experience of the presence of God The Art of Divine Contentment Thomas Watson, 2025-05-30 In a world where competition is sold as the key ingredient for success few would ever think of contentment as one of the most important features of a true Christian When even pastors and preachers are looking for counsel on how to improve their style how to boost their leadership abilities how to be more popular to come with this idea of contentment seems rather odd However the Bible has so much to say on this topic that its inspired authors came even to the shocking conclusion that if you combine godliness and contentment the result is of great gain So thought Puritan Thomas Watson who penned this wonderful book on the what and when and how of the divine contentment This book has been originally published in 1855 Current edition has been proofread typeset for eBook readers and updated for modern readers *Applying the Sermon* Daniel Overdorf, 2009-08-28 Finally a tool to help Pastors shape applications that so many congregations have long desired Even the most seasoned homiletics balk at sermon application Why Because application requires preachers to toss a grenade like thus saith the Lord into people s lives and to do so repeatedly From the introduction Despite the concern many pastors feel when it comes to sermon application most homiletics texts devote little more than a chapter if that to this vital topic Daniel Overdorf has filled this glaring gap with *Applying the Sermon* This book equips preachers to develop sermon application that grows from the biblical text and addresses the needs of contemporary congregations Each chapter includes snippets of interviews with five of today s most respected homiletics Haddon Robinson Will Willimon Tom Long Vic Pentz and Bob Russell A great addition to any pastoral library and a valuable resource for Bible college and seminary courses Overdorf s *Applying the Sermon* also includes an extensive bibliography and a sermon application worksheet to give pastors a chance to acquire hands on experience with these techniques The Lutheran George Washington Sandt, 1926 *John Wesley* Michael Pasquarello, 2010 An analysis and appreciation of the significance of John Wesley s life and theology as seen in his preaching *Walk Like Jesus* Dann Spader, 2019-01-01 Let s take a walk with the Master Is it even possible to walk as Jesus walked Well there s only one way to find out Follow along and study the very model of how to live life the way Jesus lived More than just highlighting various aspects of Jesus life ministry veteran Dann Spader examines the broad scope of who He is helping us understand how the life of Christ should transcend our busy 21st century lifestyles With a practical approach daily lessons in this 10 week study touch on foundational elements of Jesus life including His intentionality in fostering loving relationships His unwavering obedience and reverent submission to God A life that was steadfast in prayer His dependence upon the Holy Spirit His movement of multiplying disciples *Walk Like Jesus* will not only provide you with a wealth of biblical knowledge on Jesus life it will also challenge you to follow after Christ It is sure to bring insight and godly nourishment in your trajectory toward knowing Christ and becoming more like Him Learn how to implement the *Like Jesus* series into your small group ministry and church to build a culture of disciple making Use the *Like Jesus* App and Digital Access platform for videos assessment engagement real time metrics are more download today <https://LikeJesus.church> **My Burden Is Light**

Craig A. Satterlee, 2023 *My Burden Is Light* invites preachers to reclaim proclaiming Jesus as the goal of preaching Satterlee argues that by preaching Jesus's life, death, and resurrection as good news, we address the issues we face. This book is foundational for preaching courses and a balm for preachers needing nourishment and renewal. *The Gospel According to Starbucks* Leonard Sweet, 2008-05-20 Leonard Sweet shows you how the passion that Starbucks has for creating an irresistible experience can connect you with God's stirring introduction to the experience of faith in *The Gospel According to Starbucks*. You don't stand in line at Starbucks just to buy a cup of coffee. You stop for the experience surrounding the cup of coffee. Too many of us line up for God out of duty or guilt. We completely miss the warmth and richness of the experience of living with God. If we'd learn to see what God is doing on earth, we could participate fully in the irresistible life that he offers. You can learn to pay attention like never before to identify where God is already in business right in your neighborhood. The doors are open and the coffee is brewing. God is serving the refreshing antidote to the unsatisfying arms-length spiritual life, and he won't even make you stand in line.
