Anthony Pedriana

Leaving Johnny Behind Overcoming Barriers To Literacy And Reclaiming At Risk Readers:

Leaving Johnny Behind Anthony Pedriana, 2010-10-16 In the tradition of *Why Johnny Can't Read* written by Rudolph Flesch in the 1950s *Leaving Johnny Behind* provides a comprehensive examination of the barriers that deny children adequate literacy training This book describes the obstacles faced by a school principal from Milwaukee's central city when he attempted to implement research based reading practices Upon further examination he discovered that the reading establishment generally rejects the product of legitimate science choosing instead to engage in a never ending interfusion of the latest innovations modifications and gimmicks This condition Anthony Pedriana observes has a disparate impact on poor and minorities those who suffer from dyslexia and other forms of reading disability and those for whom English is a second language But unlike Flesch who stressed the differences between phonics and holistic practices Pedriana seeks common ground among reading practitioners He notes that there is plenty in the data for both sides to love and that failing to take advantage of that convergence is to mock our high minded expressions of children first

JEBPS Vol 12-N2 Journal of Evidence-Based Practices for Schools, 2011-09-01 The Journal of Evidence Based Practices for Schools is a leader in publishing research to practice articles for educators and school psychologists The mission of this journal is to positively influence the daily practice of school based professionals through studies demonstrating successful research based practices in educational settings As a result the editors are committed to publishing articles with an eye toward improving student performance and outcomes by advancing psychological and educational practices in the schools They seek articles using non technical language that 1 outline an evidence based practice 2 describe the literature supporting the effectiveness and theoretical underpinnings of the practice 3 describe the findings of a study in which the practice was implemented in an educational setting and 4 provide readers with information they need to implement the practice in their own schools in a section entitled Implementation Guidelines The Journal of Evidence Based Practices for Schools differs from other scholarly journals in that it features articles that

demonstrate empirically based procedures for readers to apply the practice in their setting The Good School Peg Tyre, 2011-08-16 Award winning education journalist Peg Tyre mines up to the minute research to equip parents with the tools and knowledge necessary to get their children the best education possible We all know that the quality of education served up to our children in U S schools ranges from outstanding to shockingly inadequate How can parents tell the difference And how do they make sure their kids get what s best Even the most involved and informed parents can feel overwhelmed and confused when making important decisions about their child s education And the scary truth is that evaluating a school based on test scores and college admissions data is like selecting a car based on the color of its paint Synthesizing cutting edge research and firsthand reporting Peg Tyre offers parents far smarter and more sophisticated ways to assess a classroom and decide if the school and the teacher have the right stuff Passionate and persuasive The Good School empowers parents to make sense of headlines constructively engage teachers administrators and school boards and figure out the best option for their child be that a local public school a magnet program a charter school homeschooling parochial or private **Resources in Education** ,1994 The Literary Review ,2007
