Whitman's dreams are coming true Now that their five kids are grown she and her husband Grant are turning their beloved family home into a cozy bed and breakfast just a mile outside of Langhorne Missouri Opening weekend makes Audrey anxious with family and friends coming from all over to help celebrate the occasion But when Audrey's daughter Landyn arrives the U Haul she's pulling makes it clear she's not just here for a few days Audrey immediately has questions What happened in New York that sent Landyn running home Where was Landyn s husband Chase And what else was her daughter not telling her One thing was for sure the Chicory Inn was off to a rocky start Can Audrey still realize her dream and at the same time provide the comfort of home her daughter so desperately needs **Ghosts** Edith Wharton, 2021-10-26 An elegantly hair raising collection of Edith Wharton's ghost stories selected and with a preface written by the author herself No history of the American uncanny tale would be complete without mention of Edith Wharton yet many of Wharton's most dedicated admirers are unaware that she was a master of the form In fact one of Wharton's final literary acts was assembling Ghosts a personal selection of her most chilling stories written between 1902 and 1937 In The Lady's Maid's Bell the earliest tale included here a servant's dedication to her mistress continues from beyond the grave and in All Souls the last story Wharton wrote an elderly woman treads the permeable line between life and the hereafter In all her writing Wharton's great gift was to mercilessly illuminate the motives of men and women and her ghost stories never stray far from the preoccupations of the living using the supernatural to investigate such worldly matters as violence within marriage the horrors of aging the rot at the root of new fortunes the darkness that stares back from the abyss of one s own soul These are stories to send a cold shiver down one s spine not to terrify and as Wharton explains in her preface her goal in writing them was to counter the hard grind of modern speeding up by preserving that ineffable space of silence and continuity which is not merely the prerogative of humanity but in the fun of the shudder its delight Contents All Souls The Eyes Afterward The Lady's Maid's Bell Kerfol The Triumph of Night Miss Mary Pask Bewitched Mr Jones Pomegranate Seed A Bottle of Perrier Ghosts, and Other Stories Robert Walser, 2016-09-13 Girlfriends Ghosts and Other Stories brings together eighty one brief texts spanning Robert Walser's career from pieces conceived amid his early triumphs to later works written at a psychiatric clinic in Bern Many were published in the feuilleton sections of newspapers during Walser's life others were jotted down on slips of paper and all but forgotten Together they string together small nutshells of consciousness idiosyncratic and vulnerable genuine in their irony wistful in their humor The portraits and landscapes here are observed with tenderness and from a place of great anxiety Some dwell on childish or transient topics carousels the latest hairstyles an ekphrasis of the illustrations in a picture book others on the grand themes of nature art and love But they remain conversational almost lighter than air Every emotion ventured takes on the weight of a sincerity that is imperiled as soon as it comes into contact with the outside world which retains all of the novelty it had in childhood and all of the danger Walser's speakers are attuned to the silent music of being students of the ineffable and neighbors to madness they are now exhilarated now paralyzed by
