LeBron's Dream Team LeBron James, Buzz Bissinger, 2010-04-27 The inspiration for the Peacock Original Movie Shooting Stars A book that will incredibly move and inspire you Jay Z An entertaining well written reminder that even if he seems to have been around forever James didn't go directly from the nursery to the NBA Sports Illustrated The dream team was a bunch of kids from Akron Ohio LeBron James and his best friends who first met on a youth basketball team of the same name when they were ten and eleven years old United by their love of the game and their yearning for companionship they quickly forged a bond which would carry them through thick and thin a lot of thin and at last to the brink of a national championship They were a motley group who faced challenges all too typical of inner city America LeBron grew up without a father and had moved with his mother more than a dozen times by the age of 10 Willie McGee the quiet one had left both his parents behind in Chicago to be raised by his older brother in Akron Dru Joyce was outspoken and his dad who was ever present would end up coaching all five of the boys in high school Sian Cotton who also played football was the happy go lucky enforcer while Romeo Travis was unhappy bitter even surly until he finally opened himself up to the bond his team mates offered In the summer after seventh grade the dream team tasted glory when they qualified for a national championship tournament in Memphis But they lost their focus and had to go home early They promised each other they would stay together and do whatever it took to win a national title They had no idea how hard it would be to pursue that promise In the years that followed they would endure jealousy hostility exploitation resentment from the black community because they went to a white high school and the consequence of their own over confidence Not least they would all have to wrestle with LeBron's outsize success which brought too much attention and even a whiff of scandal their way But together these five boys became men as they sought a national championship
