Praying the Word of God Père Charles Dumont OCSO,1999-11-05 Fairacres Publications 132 Christians have over the centuries maintained a dialogue with God the Bible in their hands whereby God speaks and the believer listens and a deep relationship is nurtured The technical and historical term for this way of reading the Bible and praying the Word of God lectio divina or holy reading would not be recognised by many today who practise it faithfully in their life of prayer Pere Dumont traces the history of lectio divina focussing on its primary and fundamental meaning the Bible read and received as a word coming from the mouth of God

Lectio Divina Enzo Bianchi,2015-04-01 The Bible is ancient enigmatic and from a culture vastly different from our own That s why most of us find it hard to read So how can we understand its importance in the church and how can it enrich our lives Central to lectio divina is the conviction that to read the Bible faithfully and prayerfully is to learn an ancient art by entering into dialogue with the God who speaks to each of us through the biblical page Enzo Bianchi touches on the essentials of the history of lectio from the brilliant thinker Origen in the third century to the development of historical criticism in the modern era He explains how to do lectio and how to understand and implement its four moments lectio meditatio oratio and contemplatio This is not simply a book about how to approach the Bible because Scripture ultimately wants to lead us beyond itself to the truth and mystery of Christ that can never be captured fully in the written word With his deep biblical wisdom Bianchi is able to explore the whole Christian tradition of prayerful reading St Benedict mandates at least two hours of lectio divina a day for his monks which is a considerable challenge for the modern person But with Enzo as our guide we can do it Terrence G Kardong osb editor of American Benedictine Review Enzo Bianchi was born in Castel Bolognese Piedmont Italy in 1943 In 1965 after graduating from the University of Turin he founded an ecumenical monastic community the Bose Community of which he is still the prior Friar Bianchi is a well known author of books on lectio divina and the spiritual life which have been translated into many languages He has dedicated himself to the search for spirituality capable of giving life to Christians today and furthering communion among all people The Bose Community now numbers over eighty brothers and sisters of various Christian traditions and receives thousands of visitors annually Enzo Bianchi is one of the most significant Christian voices in Europe He shows what can be achieved by an immersion in Scripture that involves both intellect and imagination alike and in common with all the most serious Christian voices of our day he cannot be labeled as a partisan liberal or traditionalist He offers exactly what the monastic voice at its truest has always offered a way into the heart of our ecclesial and social questions that is honest patient and sensitive His is a perspective that the English speaking Christian world should welcome enthusiastically Rowan Williams Magdalene College Cambridge I hope that these pages may be heard as a simple yet faithful echo of my personal experience my community s path and my journey with the church For years I have broken the bread of the Word for the brothers and sisters in my

community Much of what I say here comes from that experience It also comes from many years of preaching the Word to listeners from all walks of life I would like to see this book ultimately as no more than a small gesture of gratitude to those witnesses of the Word whom the Lord has allowed me to meet those martyrs of faith who have found ways to express all the richness of the Gospel in their lives Only those people who put God's Word into practice have really heard it They are the ones who truly understand the biblical text because they obey without delay the word Christ never tires of speaking to us The sequential sancti evangelii for today today's Gospel is not the product of brilliant scholarly research It is the life and witness of God's holy people those who are faithful disciples of the Word made flesh their Lord Enzo Bianchi *Surprised by Love* Robert J. Miller, 2016-10-17 *Surprised by Love* captures the wonder and power of the Scriptures for anyone with a spiritual longing for God and a love for the written word Miller brings new insights and fresh meanings to the Scriptures of the Cycle B Lectionary Sunday readings His sometimes poetic storytelling style gently nourishes one's soul guiding one through the Scriptures with meditations that open up deeper understandings and even aha insights to God's working in our midst *Surprised by Love* brings to life the Passion Intimacy Fire Freedom and Love of a God who is beyond human understanding and logic it is a dynamic moving book that will spark your daily prayer life and energize your relationship with God Great for personal reading or homily preparation this book invites you to read rest and taste and see the surprises of God's love
