couple have made a few well meaning mistakes and now they owe big money to some very bad people One brazen move leads to another and suddenly Reacher finds himself a wanted man in the middle of a brutal turf war between rival Ukrainian and Albanian gangs Reacher has to stay one step ahead of the loan sharks the thugs and the assassins He teams up with a fed up waitress who knows a little more than she s letting on and sets out to take down the powerful and make the greedy pay It s a long shot The odds are against him But Reacher believes in a certain kind of justice the kind that comes along once in a blue moon NAMED ONE OF THE BEST BOOKS OF THE YEAR BY EVENING STANDARD **Persuasive Genres** Sujata S.

Kathpalia,2021-09-30 This book provides an analysis of persuasive genres in the domain of media ranging from traditional to new media genres on the internet Kathpalia provides a layered analysis of a family of persuasive genres at the functional semantic and linguistic levels and a reconceptualization of genres as empowering rather than constraining enabling rather than binding and dynamic rather than static The book leads readers to an understanding of genre that accounts for the way we interpret respond to and create genres in different settings whilst shedding light on how genres change and how they evolve into new and unique forms to meet the ever changing needs of society This book would be of interest to those studying or researching the topic of genres and those interested in reconceptualizing the way in which we interpret and understand genres from linguistic and discourse perspectives The Reacher Guy Heather Martin,2020-09-29 An exquisitely written

and nuanced biography of an exceptional individual and writer who has created the 1 international bestselling hero Jack Reacher revered by dedicated and loyal readers worldwide Lee Child has a great public persona he is gracious and generous with readers and fans But Jim Grant is a reticent and very private man This rags to riches literary and social biography is based principally on disarmingly frank personal conversations and correspondence with the author since 2016 and privileged access to archival materials It consists almost entirely of original material and is the nearest thing the world is likely to get to the autobiography he does not intend to write There are a handful of great Lee Child Reacher stories that have been recycled over and over again They are so good that no one has bothered to look beyond them This book revisits and sometimes revises those irresistible stories but goes back further and digs deeper The emphasis on chronology accuracy and specificity is unprecedented The Lee Child origin myth is much loved But mostly it sees him springing fully formed from the brow of Granada Television There are glancing references to Aston Villa and the schoolyard but no one has examined the social and historical detail or looked closely at where Lee really came from the people places and period This is the first time someone has described the Lee Child arc from peaceful obscurity in the Yorkshire Dales and Upstate New York to cult figure no 1 in America rock star celebrity and publishing institution through to backlash the changing zeitgeist and intimations of retirement The analysis of the emotional power and significance of Lee s work in the final chapters the themes of happiness addiction dependency loneliness and existential absurdity and the first hand retrospective accounts of his life and second act career are all exclusive to this definitive biography
