Davis, 2019-01-24 This unique and best selling guidebook to the night sky shows amateur astronomers how to observe a host of celestial wonders Its distinct format of object by object spreads illustrates how deep sky objects and planets will actually look in a small telescope with large pages and spiral binding for ease of use outside

The Overlord Effect Michael David Pierce, 2013-04 The Overlord Effect is a historically based leadership review that combines the accounts of Veterans of the Normandy Campaign of World War II and presents a conversation about their experiences with the leadership theories that have become part of today's conversation on the subject in the military academics and business The Normandy Invasion was one of the most complex and successful military campaigns in history The preparation for this event took years of planning and training It required leaders at every level to demonstrate exemplary leadership in a compressed space and time that called for decisions to be made in an instant for leaders to act with courage and character and for both followers and leaders to accomplish any mission regardless of the personal cost The Overlord Effect takes the snapshots of the critical experiences of leaders at every level of the Allied Invasion Force and reviews their actions and places them into understandable thought provoking insights that will help leaders in any discipline respond better to challenges The work also presents Dr Pierce's theory on Emergent Leadership During Crisis ELDC and discusses ways that the leaders and professionals of today can use it to help themselves understand their own leadership experience as well as to develop future leaders in the workplace

The Dealer Jim Ciardella, 2022-07-15 When Ferrari of Los Gatos opened few people could afford an expensive sports car In 1976 the average annual income was 12 686 and a new home cost about 48 000 Motorists in California could only buy gas on odd or even numbered days based on the last digit of their license plate due to the global oil crisis Times were tough and people were hesitant to take chances especially with a car that cost more than a house At the same time Brian Burnett and his friend Richard Rivoir had the idea of starting a Ferrari dealership The Dealer is the story of how one dealership Ferrari of Los Gatos fueled the rise of the iconic Italian sports car in the U S market on its way to becoming the number one Ferrari dealer in North America Even Enzo Ferrari himself took notice flying Brian and the other dealers to Italy to show his appreciation for their success Customers included movie stars sports celebrities entertainers and some with unusual sources of income and a strong desire for a low profile Along the way Burnett made friends enemies and millions of dollars only to lose everything in the blink of an eye Author Jim Ciardella shows readers a part of Ferrari that no one has even seen with behind the scenes stories as told to him by Richard Rivoir and Brian Burnett their customers and employees and other North American dealers who all rode high and eventually burned out on selling fast cars

The Florida Area Cumulus Experiment W. L. Woodley, Robert I. Sax, 1976 The Florida Area Cumulus Experiment FACE has developed as the logical extension of the successful series of single cloud experiments conducted by NOAA s Experimental Meteorology Laboratory now the Cumulus Group of the National Hurricane and Experimental Meteorology Laboratory over the Caribbean and Florida Although the results of FACE studies have been painstakingly reported in the literature conversations with colleagues have made it obvious that the empirical and theoretical foundations for this experiment are not well understood Confusion still exists in the minds of some as to the rationale for FACE and its design The need exists then for a detailed exposition of all aspects of the FACE effort for consideration and discussion by the scientific community With this report we attempt to fulfill this need

The Automobile Blue Book, 1919 **The American Eagle Squadrons of the Royal Air Force** Timothy S. Good, 2020-03-26 While the United States sought to remain neutral in the early years of World War II some Americans did not This book is the first to provide the operational records and combat reports of the three American Eagle Royal Air Force squadrons units comprised of volunteer American pilots who served with the British prior to the U S entering the war The records tell the story of the more than 200 pilots who against federal law flew with the British in their fight against Nazi Germany While some Americans served individually in other RAF units these three squadrons the 71st 121st and 133rd were

the only ones organized exclusively for Americans They were the first of dozens of American fighter squadrons that would soar over Europe
