Pan-Asianism and the Legacy of the Chinese Revolution Viren Murthy,2023-10-25 An intellectual history of pan Asianist discourse in the twentieth century Recent proposals to revive the ancient Silk Road for the contemporary era and ongoing Western interest in China s growth and development have led to increased attention to the concept of pan Asianism Most of

that discussion however lacks any historical grounding in the thought of influential twentieth century pan Asianists In this book Viren Murthy offers an intellectual history of the writings of theorists intellectuals and activists spanning leftist conservative and right wing thinkers who proposed new ways of thinking about Asia in their own historical and political contexts Tracing pan Asianist discourse across the twentieth century Murthy reveals a stronger tradition of resistance and alternative visions than the contemporary discourse on pan Asianism would suggest At the heart of pan Asianist thinking Murthy shows were the notions of a unity of Asian nations of weak nations becoming powerful and of the Third World confronting the advanced world on equal terms an idea that grew to include non Asian countries into the global community of Asian nations But pan Asianists also had larger aims imagining a future beyond both imperialism and capitalism The fact that the resurgence of pan Asianist discourse has emerged alongside the dominance of capitalism Murthy argues signals a profound misunderstanding of its roots history and potential

Bin Laden's Legacy Daveed Gartenstein-Ross,2011-07-28

Why al Qaeda is winning its war against the West and America has been playing right into its hands In the decade since 9 11 the United States has grown weaker It has been bogged down by costly wars in Iraq and Afghanistan It has spent billions of dollars on security to protect air travel and other transport as well as the homeland more generally Much of this money has been channeled into efforts that are inefficient by design and highly bureaucratic a lack of coordination between and among the government and an array of contractors making it difficult to evaluate the return on the enormous investment that we have made in national security Meanwhile public morale has been sapped by measures ranging from color coded terror alerts to full body hand searches Now counterterrorism expert Daveed Gartenstein Ross details the strategic missteps the U S has made in the fight against al Qaeda a group that U S planners never really took the time to understand For this reason America s responses to the terrorist threat have often unwittingly helped al Qaeda achieve its goals Gartenstein Ross s book explains what the country must do now to stem the bleeding Explains in detail al Qaeda s strategy to sap and undermine the American economy and shows how the United States played into the terrorist group s hands by expanding the battlefield and setting up an expensive homeland security bureaucracy that has difficulty dealing with a nimble adaptive foe Outlines how al Qaeda s economic plans have evolved toward an ultimate strategy of a thousand cuts which involves smaller yet more frequent attacks against Western societies Shows how the domestic politicization of terrorism has weakened the United States skewing its priorities and causing it to misallocate counterterrorism resources Offers a practical plan for building domestic resiliency against terrorist attacks and escaping the mistakes that have undermined America s war against its jihadist foes Clearly written and powerfully argued by a prominent counterterrorism expert

The Wiser-Mouse Legacy
Derek V. Everard,2012-05 It is quite rare to encounter an authentic Christian living in obedience to Jesus Word This spiritual guide focuses on the practice of what Jesus taught in easy non religious terms It explores how we may apply Jesus principles to our everyday lives He stated in John 7 16 My doctrine is not Mine but His that sent Me This true life adventure includes a

legacy of spiritual wisdom discovered in an abandoned cottage on the edge of Exmoor Forest Some beautiful sketches of a Yellow Necked mouse added to the intrigue of wondering why the scribe signed his work as Wiser Mouse Now rescued from the ruin of dampness and decay his messages are woven into the Legacy as The Lost Notebooks of Wiser Mouse Spiritually mature Christians need to challenge the widespread insidious teaching and practice of unsound doctrine 1 Cor 2 15 Do we blindly follow the traditions of man and his churches Or do we obey the commands of God in the Holy Bible They are distinctly different But in vain do they worship Me teaching for doctrines the commandments of men Matt 15 9 the Holy Bible is the final arbiter on all matters of Christian doctrine It is utterly irrelevant as to WHO is right authenticity is focused only on WHAT is right the Wiser Mouse Legacy is for those who seek to live the immutable doctrine of truth as taught by our Lord Jesus Christ
