Legacy K. D. Peters, 2014-10-25 The final book in the stunning trilogy The battle lines have been drawn and a temporary cease fire has been issued against the Shadow Wings as the angels begin debating amongst themselves about whether or not it is right to kill them As Ariana learns of her new unexpected pregnancy with a child carrying the soul of one of the most powerful angels known as a Seraphita the tensions have begun running high once again After the sudden attack and subsequent advice from Jade about seeking out the help of the Seraphim clan leaders Chris and Zane decide that the best course of action will be to take Ariana to them for the child to be born But word of this child has already reached the hunters on both sides as well as the power that they are already extending on those around them Angered by the idea that the Shadow Wings will no longer be in their control the demons begin making their bids to be rid of it At the same time Judiel and his angels also begin staging their own attacks as well in hopes that they will prevent the birth of the one who could end the hunts forever and also in hopes to end the lives of the Nephilim clans as well As the final battles begin all fate will lie with one child But will this life be able to bring redemption to all of those born from darkness or will not even they be enough to change a dark destiny The Gospel magazine, and theological review.
