The Arts and the Legal Academy Zenon Bankowski, Maksymilian Del Mar, Paul Maharg, 2016-04-01 In Western culture law is dominated by textual representation Lawyers academics and law students live and work in a textual world where the written word is law and law is interpreted largely within written and printed discourse Is it possible however to understand and learn law differently Could modes of knowing feeling memory and expectation commonly present in the Arts enable a deeper understanding of law s discourse and practice If so how might that work for students lawyers and academics in the classroom and in continuing professional development Bringing together scholars legal practitioners internationally from the fields of legal education legal theory theatre architecture visual and movement arts this book is evidence of how the Arts can powerfully revitalize the theory and practice of legal education Through discussion of theory and practice in the humanities and Arts linked to practical examples of radical interventions the chapters reveal how the Arts can transform educational practice and our view of its place in legal practice Available in enhanced electronic format the book complements *The Moral Imagination and the Legal Life* also published by Ashgate

Developmental-Behavioral

Pediatrics E-Book William B. Carey, Allen C. Crocker, Ellen Roy Elias, Heidi M. Feldman, William L. Coleman, 2009-04-28 The fourth edition of *Developmental Behavioral Pediatrics* the pioneering original text emphasizes children's assets and liabilities not just categorical labels. It includes fresh perspectives from new editors Drs William Coleman, Ellen Elias and Heidi Feldman as well as further contributions from two of the original editors William B Carey M D and Allen C Crocker M D. This comprehensive resource offers information and guidance on normal development and behavior, genetic influences, the effect of general physical illness and psychosocial and biologic factors on development and behavior. It is also sufficiently scholarly and scientific to serve as a definitive reference for researchers, teachers and consultants. With a more user friendly design, this resource offers easy access, comprehensive guidance. Features new chapters dealing with genetic influences on development and behavior, crisis management, coping strategies, self esteem, self control and inborn errors of metabolism to cover the considerable advances and latest developments in the field. Focuses on the clinical aspects of function and dysfunction rather than arranging subjects according to categorical labels. Emphasizes children's assets as well as their liability so you get a well developed approach to therapeutic management. Concludes each chapter with a summary of the principle points covered with tables, pictures and diagrams to clarify and enhance the presentation. Offers a highly practical focus emphasizing evaluation, counseling, medical treatment and follow up. Features superb photos and figures that illustrate a wide variety of concepts. Offers access to the full text online through Expert Consult functionality at www.expertconsult.com for convenient reference from any practice location. Features new chapters dealing with Genetic Influences on Development and Behavior, Crisis Management, Coping Strategies, Self Esteem, Self Control and Inborn Errors of Metabolism. Presents a new two color design and artwork for a more visually appealing and accessible layout. Provides the latest drug information in the updated and revised chapters on psychopharmacology. Introduces Drs William Coleman, Ellen Elias and Heidi Feldman to the editorial team to provide current and topical guidance and enrich the range of expertise and clinical experience. Covers the considerable advances and latest developments in this subspecialty through updates and revisions to existing material.

Law in Australian Society Keiran Hardy, 2020-07-16 What is the rule of law? How do laws get made? Does our legal and political system achieve justice for all Australians equally? Designed for beginners as well as non-law students, this text provides a comprehensive and accessible guide to understanding Australia's system of law and government. Dr Keiran Hardy describes how legislation is made, the nature of case law, the hierarchy of courts and the doctrine of precedent. He looks at the role played by politics and the media in shaping law and he describes founding principles including democracy, liberalism, the separation of powers and federalism. The criminal justice system is explained including criminal offences, police powers, sentencing and punishment and there is a special emphasis on Indigenous peoples and the law. The book concludes with case studies of cybercrime and counterterrorism legislation to illustrate law reform in action. Each chapter features practical examples, chapter summaries and review questions together with a glossary of key terms. Concise
