Cumulated Index to the Books ,1999 Legal English: Advanced Level. Visual Reference Materials ,2018-10-29 Legal English Advanced Level 3 Legal Design for Social-Ecological Resilience Brita Bohman,2021-03-18 Theories of social ecological resilience have developed over the past decades and rapidly become an important framework for governance of complex non linear environmental problems This book explores the resilience theories and their compatibility with law it identifies corresponding legal features The legal features identified including legal measures mechanisms principles and

approaches form a legal design for social ecological resilience A legal design that can be applied to different governance situations It can be a tool both for designing new laws as well as for assessing the effectiveness of current laws and legal systems In many ways environmental law has adjusted and developed new approaches to meet complex environmental problems but law is still challenged by the complexity that characterize environmental problems and the environmental change connected with the Anthropocene This book provides a comprehensive review of the most fundamental components of the governance framework for social ecological resilience and the role of law
