Hurd, Denise M. Anderson, 2010 The Park and Recreation Professional's Handbook offers a thorough grounding in all areas of programming leadership operations administration and professionalism It integrates foundational concepts the latest research and real world examples to present readers with a complete picture of all of the skills needed for success in the field Expedition and Wilderness Medicine Gregory H. Bledsoe, Michael J. Manyak, David A. Townes, 2009 With an increase in visits to remote and dangerous locations around the world the number of serious and fatal injuries and illnesses associated with these expeditions has markedly increased Thus so has the need for medical personnel trained specifically to handle the health risks that are faced when far removed from professional care resources Expedition and Wilderness Medicine covers everything a prospective field physician or medical consultant needs to prepare for when beginning an expedition Divided into three parts Expedition Planning Expeditions in Unique Environments and Illness and Injuries on Expeditions this unique book covers everything that the expedition physician needs to know **BOOK JACKET** Commercial Uses of Space and Space Tourism Jan Wouters, Philip De Man, Rik Hansen, 2017-12-29 Commercial Uses of Space and Space Tourism combines the perspectives of academics policy makers and major industry players around three central themes connected to commercial spacefaring the international legal challenges posed by the dramatic changes to the spacefaring landscape through privatisation and commercialisation the corresponding legal and regulatory responses to these challenges at the national level and related topical questions of global space governance **Space Insurance and the Law** Harrington, Andrea J., 2021-07-31 This astute and comprehensive book provides in depth analysis of the space sector with an insurance as governance approach

Chapters highlight and examine the key aspects of this important subject including space tourism risk mitigation and insurance requirements The author also gives a fresh and contemporary insight into topics such as the influences of international space law international air law and US domestic space law **Leisure, Recreation, and Tourism Abstracts**, 1996 **American Men and Women in Medicine, Applied Sciences and Engineering with Roots in Czechoslovakia** Miloslav Rechcigl Jr., 2021-02-17 No comprehensive study has been undertaken about the American learned men and women with Czechoslovak roots The aim of this work is to correct this glaring deficiency with the focus on men and women in medicine applied sciences and engineering It covers immigration from the period of mass migration and beyond irrespective whether they were born in their European ancestral homes or whether they have descended from them This compendium clearly demonstrates the Czech and Slovak immigrants including Bohemian Jews have brought to the New World in these areas their talents their ingenuity the technical skills their scientific knowhow as well as their humanistic and spiritual upbringing reflecting upon the richness of their culture and traditions developed throughout centuries in their ancestral home This accounts for their remarkable success and achievements of these settlers in the New World transcending through their descendants as this publication demonstrates The monograph has been organized into sections by subject areas i e Medicine Allied Health Sciences and Social Services Agricultural and Food Science Earth and Environmental Sciences and Engineering Each individual entry is usually accompanied with literature and additional biographical sources for readers who wish to pursue a deeper study The selection of individuals has been strictly based on geographical vantage without regards to their native language or ethnical background Some of the entries may surprise you because their Czech or Slovak ancestry has not been generally known What is conspicuous is a large percentage of listed individuals being Jewish which is a reflection of high level of education and intellect of Bohemian Jews A prodigious number of accomplished women in this study is also astounding considering that in the 19th century they rarely had careers and most professions refused entry to them Encyclopedia of Bohemian and Czech-American Biography Miloslav Rechcigl Jr., 2016-11-10 As the Czech ambassador to the United States H E Petr Gandalovic noted in his foreword to this book that Mla Rechcigl has written a monumental work representing a culmination of his life achievement as a historian of Czech America The Encyclopedia of Bohemian and Czech American Biography is a unique and unparalleled publication The enormity of this undertaking is reflected in the fact that it covers a universe starting a few decades after the discovery of the New World through the escapades and significant contributions of Bohemian Jesuits and Moravian brethren in the seventeenth and eighteenth centuries the mass migration of the Czechs after the revolutionary year of 1848 and up to the early years of the twentieth century and the influx of refugees from Nazism and communism The encyclopedia has been planned as a representative a comprehensive and authoritative reference tool encompassing over 7 500 biographies This prodigious and unparalleled encyclopedic vade mecum reflecting enduring contributions of notable Americans with Czech roots is not only an invaluable

tool for all researchers and students of Czech American history but is also a carte blanche for the Czech Republic which considers Czech Americans as their own and as a part of its magnificent cultural history Recreation, Event, and Tourism Businesses Robert E.
