Caught in the ultimate game of cat and mouse, Day is in a race for his family's survival while June seeks to avenge Metias's death. Who will be Champion? June and Day have sacrificed so much for the people of the Republic and each other, and now their country is on the brink of a new existence. June is back in the good graces of the Republic, working within the government's elite circles as Princeps Elect, while Day has been assigned a high-level military position. But neither could have predicted the circumstances that will reunite them once again. Just when a peace treaty is imminent, a plague outbreak causes panic in the Colonies, and war threatens the Republic's border cities. This new strain of plague is deadlier than ever, and June is the only one who knows the key to her country's defense. But saving the lives of thousands will mean asking the one she loves to give up everything he has.
