

THE LEGEND WITHIN

LEGEND LIFE PRINCIPLES 30 TRUTHS TO GUIDE YOU TO A LEGENDARY LIFE

1	To become legendary, you need passion and a legendary purpose.	Our greatest enemy is the enemy within. When we conquer ourselves, we can conquer anything.	2
3	It is not only your opportunity but your responsibility to achieve legendary success.	The secret to success is to never settle, to always seek to become, do and give more.	4
5	To become all you can be you must commit to a lifetime of learning and personal growth.	Dreams are what success is built on. However, they are just fantasies unless executed on.	6
7	Without a life of purpose, fulfillment and happiness will always be elusive.	To settle is to sacrifice your opportunity to create the life you are destined to have.	8
9	To reach your full potential you must commit to serving others or a cause beyond yourself.	Never lose sight of your destination, but remember it is the journey that will shape you.	10
11	Never accept being anything but your best and you will achieve your full potential.	Perseverance is the price of entrance for achieving extraordinary success. Never give up.	12
13	Surround yourself with winners and they will push you to become all you can be.	To contribute and to make a difference are the most fulfilling things you can do.	14
15	To find meaning in your life, you need to give your life meaning by pursuing a worthy goal.	Don't expect life to be easy. If it's easy you are not pushing beyond your comfort zone.	16
17	If you don't have the life you want, there is no one to blame but yourself.	How you perform in life is a direct reflection of what you do every hour and every day of your life.	18
19	True legendary courage is the willingness to face, embrace and finally overcome your fears.	To become legendary is to use hardship, setbacks, disappointments as fuel for growth.	20
21	The future belongs to the visionaries, the outliers, the non-conformists. Be the change.	To feel happy with life, appreciate the moment and have gratitude for what you have in your life.	22
23	A legendary life and your legacy is created by going beyond your comfort zone.	Step away from the crowd and create your own path as it is here you will define your legacy.	24
25	To find significance and fulfillment in life you must redirect your focus from self to others.	Legendary productivity is the result of laser like focus and freeing yourself from distractions.	26
27	Maintain momentum by celebrating your successes and where you are winning every day.	It is not enough to know what to do, you must take massive action and act on that knowledge.	28
29	Your life reflects what you have settled for. So, don't settle for anything but the best.	It's your responsibility to become legendary. The world is depending on you.	30
