*David Bowie and Philosophy* Theodore G. Ammon,2016-09-06 Among the topics explored in David Bowie and Philosophy are the nature of Bowie as an institution Bowie s work in many platforms including movies and TV Bowie s spanning of low and high art and his relation to Warhol the influence of Buddhism and Kabuki theater the recurring theme of Bowie as a space alien including Space Oddity and The Man Who Fell to Earth the dystopian element in Bowie s thinking displayed in 1984 and the album Outside the role of fashion in Bowie s creativity personal identity as preserved over various divergent personae the aesthetics of theatrical rock and glam rock Bowie s public identification with bisexuality and his influence within the LGBTQ community Pervasive themes in Bowie s output include change time apocalypse dancing mind body dualism and spirituality In the dualistic universe that undergirds his lyrics body consistently wins over mind but body is nevertheless on the hook of moral responsibility There is thus an inherent tension the overwhelming desires of bodily drives versus the repressive institutions such as church and the omnipresent They who would have us do otherwise than our body want The emergent paradox in Bowie is that for all his alleged sexual indulgences in the end mind trumps body

Girls and Philosophy Richard Greene,Rachel Robison-Greene,2014-12-09 The drama comedy show Girls often under rated by being perceived as Sex and the City for the Millennial generation has made TV history and provoked controversy for its pitilessly accurate portrayal of four oddly sympathetic twenty something female characters notable for their self absorption empathy deficits and ineptitude with relationships Among other breakthroughs it is the first

show to depict the sex act among the alienated young as nearly always awkward and unfulfilling In *Girls and Philosophy* a team of diverse yet always sensitive empathic and apt philosophers approach the world of *Girls* from a variety of angles and philosophical points of view Underlying this New York world is the new reality of ambitious yet unfocused young people from comparatively advantaged backgrounds having their expectations chilled by the severe and prolonged economic recession The writers attack many fascinating issues arising from *Girls* including the meaning of authenticity in the twenty first century coming of age in a society with no clear guidelines for most of what matters in life *Girls* as the only TV show the pop culture hating professor Theodor Adorno might have admired feminist appraisals of these not very feminist characters and their frustrations what the wardrobes of the four mean philosophically how each of the four deals with the anxiety that comes from inescapable freedom whether we need to amend the traditional list of seven deadly sins in the context of present day New York how the speech of the Millennials illustrates Austin s theory of speech acts how the learning of Hannah Shoshanna Jessa and Marnie compares with the ancient Greek theory of the education of the young and of course why we once again find it natural to think of women in their early to mid twenties as girls *Adventure Time and Philosophy* Nicolas

Michaud,2015-04-14 *Adventure Time and Philosophy* is a monster beating wild ride of philosophical mayhem One of the deepest and most thoughtful television shows ever to assault human brain waves *Adventure Time* shows us what the world could be like challenging everything we know about life meaning heroism and even burritos and it s time to give the show some serious thought This book screws open our cranial lids mucks about in the mess that is our heads and attempts to come to some answers about the nature of reality *Adventure Time and Philosophy* is a chance to put down your broadsword put your exhausted monster slaying feet up and try to figure out why you spend your time rescuing people in distress and fighting for justice Who better than Finn and Jake to have as companions when taking on Plato Nietzsche and Baudrillard or encountering the Slime Princess the Ice King and Marceline the Vampire Queen Filled with chapters written by a colorful cast of characters *Adventure Time and Philosophy* enlightens us about the profound and life affirming spiritual subtext and dark comedic elements of an awesomely fantastic show *Batman, Superman, and Philosophy* Nicolas

Michaud,2016-07-05 *Batman or Superman* Which of these heroic figures is morally superior Which is more dramatically effective Which is more democratic Which shows us the better way to fight crime Who is a morally better person Whose actions lead to the better outcomes *Superman vs Batman and Philosophy* tries to decide for and against these two superheroes by comparing their contrasting approaches to a wide range of issues Twenty six philosophers evaluate *Superman vs Batman* in order to decide which of them wins by various different criteria Some of the writers say that *Superman* wins others say *Batman* and others give the result as a tie Since both *Batman* the megalomaniacal industrialist and *Superman* the darling of the media sometimes operate outside the law which of them makes the better vigilante and how do they compare with Robin Hood the anonymous donor the Ninja and the KKK Which of them comes out better in terms of evolutionary biology Which of the

heroes works more effectively to resist oppression Does Superman or Batman function better as a force for embodied intelligence Who does more to really uphold the law Which one is better for the environment Which of these two supernormal guys makes a better model and inspiring myth to define our culture and our society Is Batman or Superman the more admirable person Who conforms more closely to Nietzsche's *Übermensch* Which one makes the more rational choices Who makes the better god Who is more self-sacrificing in pursuit of other people's welfare Who goes beyond the call of duty Which one does better at defining himself by resolving his internal conflicts Whose explicit code of morality is superior Which superhero gives us more satisfying dramatic conflict And why does a battle between the two make such a compelling drama Which of our two candidates comes closer to Christ Which has the sounder psychological health Whose overall consequences are better for the world Which one more perfectly exemplifies C. S. Lewis's concept of chivalry What's the deeper reason Batman is so successful in videogames whereas Superman isn't What are the advantages and disadvantages of having the two extraordinary heroes work together Is either superhero logically or metaphysically possible How can each of them be diagnosed as psychotic How do they compare in masking their real identity Whose motives are more worthy Which one is more self-aware Superman vs Batman and Philosophy comes out at the same time as the movie Batman v Superman The book cannot discuss what goes on in the movie yet it also can't avoid doing so since by sheer probability many of the controversial issues between the two superheroes will be the same in both The book will therefore naturally fit in with the numerous raging controversies that the movie unleashes

**Justified and Philosophy** Rod Carveth, Robert Arp, 2014-12-22 The sharp shooting authors in *Justified and Philosophy* take aim at many of the same philosophical problems that the *Justified* TV series grapples with For instance is Tim Olyphant's character Deputy U.S. Marshal Raylan Givens morally justified in using his Wild West style vigilante tactics to clean up Harlan County Kentucky After all the meth dealers thieves murderers and other low life scumbags all deserve what's coming to them right Not so fast Quick Draw McGraw What about the law What about a thorough and complete investigation of matters before dispensing so-called justice What about the idea of the punishment fitting the crime Deputy Marshal Givens wears a white hat and fights the bad guys so he must be a good guy right His opponents are violent drug dealers white supremacists and thieves Givens carries a badge but when he shoots or kills people is it always justified What other choice does he have Would any other method be as effective in rural eastern Kentucky where criminal activity is one of the few viable options for making a living The coal mining culture of Harlan County Kentucky is an important backdrop to *Justified* and the issues surrounding the coal industry are addressed in some chapters Some of them include health problems like black lung the dissolution of communities the reduction in employment alternatives the destruction of the environment with mountain top removal and fracking and the increase in crime and poverty If Boyd Crowder robs the coal company responsible for exploiting his community is that justified The relationship between Boyd and Raylan dates back to a childhood friendship Then when they older they worked in the mines together One chapter explores

the character and motivation of both men and argues that each follows a different moral compass Another chapter discusses the importance of family to the character of Mags Bennett and how that guides her actions and sense of duty Another topic of discussion is whether the end justifies the means when Boyd and his gang destroy a meth lab and end up killing one of the meth cooks Other chapters delve into a variety of fascinating philosophical themes that emerge in this modern day cowboy show

*Discworld and Philosophy* Nicolas Michaud, 2016-08-09 In Discworld unlike our own frustrating Roundworld everything makes sense The world is held up by elephants standing on the back of a swimming turtle who knows where he's going the sun goes round the world every day so it doesn't have to be very hot and things always happen because someone intends them to happen Millions of fans are addicted to Pratchett's Discworld and the interest has only intensified since Pratchett's recent death and the release of his final Discworld novel *The Shepherd's Crown* in September 2015 The philosophical riches of Discworld are inexhaustible yet the brave explorers of Discworld and Philosophy cover a lot of ground From discussion of Moist von Lipwig's con artistry showing the essential con of the financial system to the examination of everyone's favorite Discworld character the murderous Luggage to the lawless Mac Nac Feegles and what they tell us about civil government to the character Death as he appears in several Discworld novels *Discworld and Philosophy* gives us an in-depth treatment of Pratchett's magical universe Other chapters look at the power of Discworld's witches the moral viewpoint of the golems how William de Worde's newspaper illuminates the issue of censorship how fate and luck interact to shape our lives and why the more simple and straightforward Discworld characters are so much better at seeing the truth than those with enormous intellects but little common sense
