Legitimacy And Criminal Justice An International Perspective

Lauren A. McCarthy

Legitimacy And Criminal Justice An International Perspective:

Legitimacy and Criminal Justice Tom R. Tyler, 2007-10-25 The police and the courts depend on the cooperation of communities to keep order But large numbers of urban poor distrust law enforcement officials Legitimacy and Criminal Justice explores the reasons that legal authorities are or are not seen as legitimate and trustworthy by many citizens Legitimacy and Criminal Justice is the first study of the perceived legitimacy of legal institutions outside the U S The authors investigate relations between courts the police and communities in the U K Western Europe South Africa Slovenia South America and Mexico demonstrating the importance of social context in shaping those relations Gorazd Meško and Goran Klemencic examine Slovenia's adoption of Western style community policing during its transition to democracy In the context of Slovenia's recent Communist past when community policing entailed omnipresent social and political control citizens regarded these efforts with great suspicion and offered little cooperation to the police When states fail to control crime informal methods of law can gain legitimacy Jennifer Johnson discusses an extra legal policing system carried out by farmers in Guerrero Mexico complete with sentencing guidelines and initiatives to reintegrate offenders into the community Feeling that federal authorities were not prosecuting the crimes that plagued their province the citizens of Guerrero strongly supported this extra legal arrangement and engaged in massive protests when the central government tried to suppress it Several of the authors examine how the perceived legitimacy of the police and courts varies across social groups Graziella Da Silva Ignacio Cano and Hugo Frhling show that attitudes toward the police vary greatly across social classes in harshly unequal societies like Brazil and Chile And many of the authors find that ethnic minorities often display greater distrust toward the police and perceive themselves to be targets of police discrimination Indeed Hans Jerg Albrecht finds evidence of bias in arrests of the foreign born in Germany which has fueled discontent among Berlin's Turkish youth Sophie Body Gendrot points out that mutual hostility between police and minority communities can lead to large scale violence as the Parisian banlieu riots underscored The case studies presented in this important new book show that fostering cooperation between law enforcement and communities requires the former to pay careful attention to the needs and attitudes of the latter Forging a new field of comparative research Legitimacy and Criminal Justice brings to light many of the reasons the law's representatives succeed or fail in winning citizens hearts and minds A Volume in the Russell Sage Foundation Series on Trust

Manitoba Law Journal: Criminal Law Edition (Robson Crim) 2019 Volume 42(3) Richard Jochelson, et al., Robson Crim is housed in Robson Hall one of Canada's oldest law schools Robson Crim has transformed into a Canada wide research hub in criminal law with blog contributions from coast to coast and from outside of this nation's borders With over 30 academic peer collaborators at Canada's top law schools Robson Crim is bringing leading criminal law research and writing to the reader We also annually publish a special edition criminal law volume of the Manitoba Law Journal providing a chance for authors to enter the peer reviewed fray The Journal has ranked in the top 0.1 percent on Academia.edu and is widely used

This issue has articles from a variety of contributing authors including David Ireland Richard Jochelson Lucinda Vandervort Paul M Alexander Kelly De Luca Davinder Singh Karen Busby Gurgun Petrossian Anita Grace Kyle McCleery Colton Fehr Kathryn M Campbell Jonathan Avey Maeve W McMahon Paetrick Sakowski Nathan Phelan and Lauren Chancellor

The Lived Experiences of Claiming Wrongful Conviction in Prison Emma Burt, 2023-12-29 The Lived Experiences of Claiming Wrongful Conviction in Prison focuses on the lived experience of maintaining innocence in the prison environment and highlights the struggles and pain that such a claim can cause Using the little utilised means of conducting an interview via a series of letters the book details the experiences of 64 prisoners maintaining innocence in England and Wales and examines in depth what is unique to this population The chapters cover coping mechanisms relationships maintained with relatives relationships formed with prisoners and staff and the perceived effect of their claims on matters of progression and parole It draws on material from criminology sociology law and psychology to provide a holistic account of this population s experiences The Lived Experiences of Claiming Wrongful Conviction in Prison will be of great interest to students and scholars across the disciplines of criminology criminal justice law sociology and psychology

The SAGE Handbook of Criminological Theory Eugene McLaughlin, Tim Newburn, 2010-07-21 An indispensable international resource The SAGE Handbook of Criminological Theory provides readers with a clear overview of criminological theory enabling them to reflect critically upon the traditional emergent and desirable theoretical positions of the discipline This handbook is essential for libraries and scholars of all levels studying the rapidly developing interdisciplinary field of criminology

The SAGE Handbook of Global Policing Ben Bradford, Beatrice Jauregui, Ian Loader, Jonny Steinberg, 2016-07-14 The SAGE Handbook of Global Policing examines and critically retraces the field of policing studies by posing and exploring a series of fundamental questions to do with the concept and institutions of policing and their relation to social and political life in today s globalized world The volume is structured in the following four parts Part One Lenses Part Two Social and Political Order Part Three Legacies Part Four Problems and Problematics By bringing new lines of vision and new voices to the social analysis of policing and by clearly demonstrating why policing matters the Handbook will be an essential tool for anyone in the field

The Intermediary in the Criminal Justice System John Taggart, 2025-07-25 This book undertakes a sociolegal examination of the intermediary role within the criminal justice system The intermediary special measure is one of the most innovative and controversial developments in the history of English criminal procedure But what does the role actually involve That is the central question explored in this book Despite increased academic attention into this new criminal justice actor the content of the intermediary role remains unclear Based centrally on empirical data gathered in England and Wales and Northern Ireland but also drawing upon comparative material from other jurisdictions the book examines how those executing the intermediary role understand its work and how other criminal justice actors perceive it The book then uses this as the basis for generating a theory of the intermediary role and its scope and content It also considers the future of the role

and its integration into the criminal justice system This book will appeal to those researching and studying in the areas of sociolegal studies criminal law and criminology as well as lawyers judges intermediaries and policy makers working in relevant areas

Sanders and Young's Criminal Justice Lucy Welsh,Andrew Sanders,Layla Skinns,Alpa Parmar,Ed Cape,2021 Sanders and Young s Criminal Justice is an engaging account and a rigorous critique of the criminal justice system drawing on a wide breadth of research in the field

Teaching Police Officers Fairness Brandon Langley,Barak Ariel,2024-11-18 This book explores the growing body of research associated with police legitimacy It reports on a systematic review to trace evaluate and synthesize all the results of published police procedural justice training tests Further the volume explores for the first time the theoretical relationship between training on procedural justice and both officer self legitimacy and audience legitimacy as outcomes within the context of counterterrorism policing It evaluates a number of key topics including The effect of police officers higher levels of self legitimacy on how they conduct themselves The design implementation and management of a national test examining the effect of a bespoke procedural justice training package aimed at stimulating officers inner confidence Audience legitimacy scores in the sensitive world of counterterrorism policing The chapters that follow explore legitimacy theory procedural justice and the lesser known self legitimacy component This volume is ideal for law enforcement professionals policymakers criminal justice practitioners and researchers involved in combating terrorism and improving police legitimacy

Nobody's Law Marc Hertogh,2018-06-14 Nobody s Law shows how people who are disappointed disenchanted and outraged about the justice system gradually move away from law Using detailed case studies and combining different theoretical perspectives this book explores the legal consciousness of ordinary people businessmen and street level bureaucrats in the Netherlands The empirical research in this study tells an original and alternative narrative about the role of law in everyday life While previous studies emphasize the law s hegemony and argue that it s all over Hertogh shows that legal proliferation makes it harder for people to know and subsequently identify with the law As a result official law has become increasingly remote and irrelevant to many people The central finding presented in this highly topical text is that these developments signal a process of legal alienation a gradual and mundane process with potentially serious consequences for the legitimacy of law A timely and original study this book will be of particular interest to scholars in the fields of law and society socio legal studies and legal theory

Social Conflicts, Citizens and Policing Marc Cools,Brice de Ruyver,Marleen Easton,2012 This volume provides new empirical data theories and analyses on social conflicts citizens and policing The book contains articles that focus on specific manifestations of socially and or legally criminalized conflicts which may appear as radicalized Some articles discuss the new actors that are involved in governance of security in order to support the conventional actors referring specifically to citizens and private companies Also the book presents the results of perception studies on trust punitiveness and electronic monitoring at home The scientific research includes students and convicts enhancing a critical reflection on governance of security Series Governance of Security GofS

Research Paper Vol 6 Police Conflict Management, Volume I Mario S. Staller, Swen Koerner, Benni Zaiser, 2023-12-04 This book as part of a two volume set provides a broad overview of the current state of research on conflict management in law enforcement contexts globally with a focus on contemporary challenges and opportunities in policing globally and ethical considerations They cover a wide range of interactions between police and the public This volume I focusses on the challenges and opportunities examining topics such as police legitimacy police culture violence mental health community relations and crisis situations Volume II focusses on police training and education and the learning settings needed for police to professionally tackle contemporary challenges These books bring together leading research that is determining the state of the art in communication de escalation use of force and other contemporary issues in policing with practical Key Takeaways in each chapter They broaden the field by focussing on research which goes beyond the US including in Scandinavia Switzerland the Netherlands Germany the Republic of South Africa and Russia *The Ethics of Policing* Ben Jones, Eduardo Mendieta, 2021-07-20 Top scholars provide a critical analysis of the current ethical challenges facing police officers police departments and the criminal justice system From George Floyd to Breonna Taylor the brutal deaths of Black citizens at the hands of law enforcement have brought race and policing to the forefront of national debate in the United States In *The Ethics of Policing* Ben Jones and Eduardo Mendieta bring together an interdisciplinary group of scholars across the social sciences and humanities to reevaluate the role of the police and the ethical principles that guide their work With contributors such as Tracey Meares Michael Walzer and Franklin Zimring this volume covers timely topics including race and policing the use of aggressive tactics and deadly force police abolitionism and the use of new technologies like drones body cameras and predictive analytics providing different perspectives on the past present and future of policing with particular attention to discriminatory practices that have historically targeted Black and Brown communities This volume offers cutting edge insight into the ethical challenges facing the police and the institutions that oversee them As high profile cases of police brutality spark protests around the country *The Ethics of Policing* raises questions about the proper role of law enforcement in a democratic society *The Oxford Handbook of Social and Political Trust* Eric M. Uslaner, 2018 This volume explores the foundations of trust and whether social and political trust have common roots Contributions by noted scholars examine how we measure trust the cultural and social psychological roots of trust the foundations of political trust and how trust concerns the law the economy elections international relations corruption and cooperation among myriad societal factors The rich assortment of essays on these themes addresses questions such as How does national identity shape trust and how does trust form in developing countries and in new democracies Are minority groups less trusting than the dominant group in a society Do immigrants adapt to the trust levels of their host countries Does group interaction build trust Does the welfare state promote trust and in turn does trust lead to greater well being and to better health outcomes *The Oxford Handbook of Social and Political Trust* considers these and other questions of critical importance for current scholarly investigations of trust

Police Without Borders Cliff Roberson, Dilip K. Das, Jennie K. Singer, 2010-07-07 The Fifteenth Annual International Police Executive Symposium brought together 65 police executives government officials academics and researchers to discuss issues relating to all aspects of policing in a global community It focused on policing without borders the need for national and international cooperation among policing agencies and th

Police Unlimited Paul Mutsaers, 2019-02-14 *Police Unlimited* is centred on the controversial idea that police forces are a focal point for conflict in modern society Instead of emphasising the socially integrative function of police forces the book links to a conflict model concerned with its socially divisive effects Throughout the book the consequences of this social division are discussed using a detailed ethnographic study of the Dutch police as a starting point and extending the analysis out to look at the global situation The book is based on a five year ethnography exploring police discrimination in the Dutch police It examines cases of conflict both inside and outside the police station thus covering interethnic tensions at work as well as hostility towards migrants observed while joining officers on patrol The cases are discussed in light of the corroding public character of Dutch policing and the risks involved in terms of discrimination and the arbitrary or even privatized use of power Signalling an increased blurring of the private and public spheres in policing the book warns of an unlimited police service that is no longer constrained by the public contours that delineate a legal bureaucracy To develop a police anthropology the ethnographic materials are consistently compared with other police ethnographies in the global north and global south This comparative analysis points out that the demise of bureaucracy makes it increasingly difficult for police organizations across the globe to exclude politics particularism and populism from their operations *Police Unlimited* addresses the curious position of police organizations in the 21st century through the lens of a police anthropology concerned with deep seated police discrimination across the world In an age in which bureaucracy is considered to be the social evil of our time *Police Unlimited* offers a controversial message it is exactly the dehumanized and impersonal nature of bureaucracy that transforms policing into a neutral and fair practice

EU Criminal Justice and the Challenges of Diversity Renaud Colson, Stewart Field, 2016-09-29 *EU Criminal Justice and the Challenges of Diversity* examines how questions of cultural difference between Member States legal traditions are being constructed addressed and resolved in the development of the European Area of Freedom Security and Justice The volume brings together leading socio legal scholars and criminal justice professors from eight European countries and combines analytical approaches rooted in the social sciences with more normative approaches based on legal doctrine It examines the construction of a common European criminal policy explores some of the paths that may be followed by the EU in seeking to cope with national diversity in the field of criminal justice and finally provides some insights into various forms of legal and cultural resistance offered by Member States to the European harmonisation process In so doing it bridges disciplinary boundaries between law and social sciences and draws in a range of perspectives from around Europe

Trafficking Justice Lauren A. McCarthy, 2015-11-16 In response to a growing human trafficking problem and domestic and international

pressure human trafficking and the use of slave labor were first criminalized in Russia in 2003 In Trafficking Justice Lauren A McCarthy explains why Russian police prosecutors and judges have largely ignored this new weapon in their legal arsenal despite the fact that the law was intended to make it easier to pursue trafficking cases Using a combination of interview data participant observation and an original dataset of more than 5 500 Russian news media articles on human trafficking cases McCarthy explores how trafficking cases make their way through the criminal justice system covering multiple forms of the crime sexual labor and child trafficking over the period 2003 2013 She argues that to understand how law enforcement agencies have dealt with trafficking it is critical to understand how their institutional machinery the incentives culture and structure of their organizations channels decision making on human trafficking cases toward a familiar set of routines and practices and away from using the new law As a result law enforcement often chooses to charge and prosecute traffickers with related crimes such as kidnapping or recruitment into prostitution rather than under the 2003 trafficking law because these other charges are more familiar and easier to bring to a successful resolution In other words after ten years of practice Russian law enforcement has settled on a policy of prosecuting traffickers not trafficking Encyclopedia of Deception

Timothy R. Levine, 2014-02-20 The Encyclopedia of Deception examines lying from multiple perspectives drawn from the disciplines of social psychology sociology history business political science cultural anthropology moral philosophy theology law family studies evolutionary biology philosophy and more From the little white lie to lying on a resume to the grandiose lies of presidents this two volume reference explores the phenomenon of lying in a multidisciplinary context to elucidate this common aspect of our daily lives Not only a cultural phenomenon historically lying is a frequent occurrence in our everyday lives Research shows that we are likely to lie or intentionally deceive others several times a day or in one out of every four conversations that lasts more than 10 minutes Key Features More than 360 authored by key figures in the field are organized A to Z in two volumes which are available in both print and electronic formats Entries are written in a clear and accessible style that invites readers to explore and reflect on the use of lying and self deception Each article concludes with cross references to related entries and further readings This academic multi author reference work will serve as a general non technical resource for students and researchers within social and behavioral science programs who seek to better understand the historical role of lying and how it is employed in modern society Key Themes Advertising Marketing and Public Relations Animals and Nature Communication Deception in Different Cultures Entertainment Media and Sports Ethics Morality Religion Law Business and Academia Military Politics and Government includes espionage Psychology Clinical and Developmental Psychology Social Law Legal Forensic Social History lies in history famous liars hoaxes **Positive Youth Justice** Kevin Haines, Stephen Case, 2015-06-29 This topical accessibly written book moves beyond established critiques to outline a model of positive youth justice Children First Offenders Second Already in use in Wales the proposed model promotes child friendly diversionary inclusive engaging promotional practice and legitimate partnership between children

and adults which can serve as a blueprint for other local authorities and countries Setting out a progressive positive and principled model of youth justice the book will appeal to academics students practitioners and policy makers seeking to improve working practices and outcomes and will make an important contribution to the debate on youth justice policy

Police and Society in Brazil Vicente Riccio, Wesley G. Skogan, 2017-09-22 In Brazil where crime is closely associated with social inequality and failure of the criminal justice system the police are considered by most to be corrupt inefficient and violent especially when occupying poor areas and they lack the widespread legitimacy enjoyed by police forces in many nations in the northern hemisphere This text covers hot button issues like urban pacification squads gangs and drugs as well as practical topics such as policy dual civil and military models and gender relations The latest volume in the renowned Advances in Police Theory and Practice Series Police and Society in Brazil fills a gap in English literature about policing in a nation that currently ranks sixth in number of homicides It is a must read for criminal justice practitioners as well as students of international policing

Legitimacy And Criminal Justice An International Perspective Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Legitimacy And Criminal Justice An International Perspective PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Legitimacy And Criminal Justice An International

Perspective PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Legitimacy And Criminal Justice An International Perspective free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Legitimacy And Criminal Justice An International Perspective Books

1. Where can I buy Legitimacy And Criminal Justice An International Perspective books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
