

STAUNTON

TAKE THE VAN TO THE DROP-OFF POINT.

After stepping out of the docks, you'll notice in the middle of the road a dark, unmarked van. A man in a suit is standing next to it. You must drive through the back entrance of the docks, a backstreet with a driveway that leads to a parking lot. The van is parked in the middle of the lot. It's a white van. You must drive what remains of the roadblock and get your van.

After the van, there's the gunman and the driver—in a van. If they're already charging, allow them to pass. Then drive out the van and spray them with M4 or M42 bullets. Use the nearby Fly 'n' Spray to repair your car or use your Wanted Level.

Follow the yellow sign on the side to Donald Love's garage in Bedford Point. Drive through the yellow marker and into the underground garage. Remain in the vehicle until the mission strand ending cinematic plays. In it, Donald becomes bankrupt and loses voters because of his bet with Rex. He wants nothing to do with you now.

IGN RADIO REPORT

The Liberty City News announces the resuming of all service routes for all ferries and subways the first time you enter a vehicle after completing Love on the Rocks. The elevated bridge from Staunton to Shoreside Vale has also opened. The mayor promises continued ferry service in Liberty City. As you may recall, there were no ferries in Grand Theft Auto 3. The future completion of the Porter Road tunnel brings an end to ferry transportation in Liberty City.
