Impossible Dawid Piątkowski,2016-05-30 Because of desire to experience and explore what we really are capable of D Piątkowski Inside each one of us lies the incredible potential that gives us a gift of unlimited possibilities By discovering it you will be on the horns of dilemma who you would like to be and what you want to achieve Is the inner voice whispering you that it s impossible to have any chosen personality and keep full control over emotions and create your future Live unbound Break the mould and defeat Ego consciously self destructive thoughts emotions and habits By winning with yourself you will understand that you can be whoever you want to By changing yourself you will change your future Life can be an amazing adventure and it depends only on you if it is so If you are ready to discover and then reach the top this book is tailored for you What is this book about If you think you can do a thing or think you can t do a thing you re right Henry Ford The book

you are holding in your hands is a multidimensional guide of personal and spiritual development It tells about my journey to awakening and shows how to live the life of your dreams in practice not only in theory It is an immensely personal story however I opened up despite Ego internal resistance I believe it will help many people to solve problems and it will teach how to become a self possessed person controlling emotions and as a result the future What can you learn and achieve by taking over the control of your mind Imagine that 1 You can choose any of the features of characters you know and you can be self confident full of energy and motivated 2 You do not send yourself mechanically into the negative emotional state the end of stress being sulky lack of motivation and overwhelming problems 3 You are happy regardless all of the experiences you have had the circumstances and other people you are the one who decides how to feel in every single moment 4 Your relationship is just perfect you have built it on values and not on emotions 5 You love your job develop your passions and inborn talents You achieve any objectives you set for yourself You turn dreams into objectives and fulfill them one by one You can lead the horse to water but can't make it drink American Indian proverb Ego an inner voice can whisper you that it is impossible to have a chosen personality and to be happy for ever If you believe in negative thoughts it will be impossible for you However if only curiosity and desire to change yourself for a better person wins you can achieve it and become whichever personality you wish Changing yourself you will change your future Taking total control of your character emotions and future I guarantee that your life will change beyond the recognition Dawid Pi tkowski a visionary a coach a teacher a motivator The author of The impossible and Obsession for Perfection which have been translated into five languages A prominent athlete himself he has collected more than 20 medals in national tennis championships and has been victorious on national and international podium 150 times in his career Driven by the desire to improve the quality of life in all possible aspects he has created a unique method for multidimensional development and self improvement The impressive internal metamorphoses of his athletes even after one session have inspired him to write The impossible Obsession for Perfection and Ego vs I which he willingly shares with the rest of the world Learning Power Ummed Singh,2021-06-26 When we study our biggest problem is that we remember our subjects well because if we remember all our subjects well then surely we can solve all the questions in our exam so that our If the exam result is good then we can pass with good marks so that we can continue our further studies and then make a good career So when our ability to remember is good then surely we can always remember the things of our study remembered in the future so that we will always get the benefit of our study so let's remember something similar to Yad Karne ke Study Tips Know by which we can sharpen our memory power how to learn **The Finding Solid Ground Program Workbook** H. Schielke,Bethany L. Brand,Ruth A. Lanius,2022 Grounding is a recovery focused skill that offers powerful help towards managing and reducing symptoms related to trauma including feeling too much or too little **Be Successful** Aditya Bhavsar,2017-12-31 Few people know the price of everything and yet value of nothing I know that's not you because if it were the case you won't be flickering here to make things better and take your life

to the next level Today a lot of people know what to do yet a very few do what they know The reason being is they just don't know how This book is all about how This book will help you to enhance and optimize each and every area of your life and will empower you how to crush it all It is not what the book will cost you it is what it will cost if you don't read it Successful is a man who is healthy wealthy wise We all have dreams a fascinating enchanting imagination and a blueprint of how our life is supposed to be We all want to believe deep down in our souls that we have a special gift that we can make a difference that we can touch others in a special and pretty unique way and that we can make this world a better place to live At one time in our lives we all had a vision for the quality of life that we desire and deserve Yet for many of us those dreams have become shrouded in the frustrations and routines of daily life that we no longer even make an effort to accomplish them For too many the dream has dissipated and with it so has the will to design an extraordinary quality of life filled with grace and abundance Many have lost that sense of certainty that creates winners edge After all what's the difference that makes the difference What makes the difference in the quality of people's lives Why few achieve what they want and succeed in their lives up to no limits and rest just keep dreaming and never reach to their dreamland What is it that makes successful people successful and the rest mere dreamers After all what's the difference between incredibly successful legends and happily mediocre crowd How is it that so often people from such humble beginnings devastating backgrounds miserable circumstances poor conditions and innumerable disappointments in spite of it all manage to create lives that inspire us Conversely why do many of those born into privileged environments with every resource for success at their fingertips end up ill fat broke stupid embarrassed miserable often chemically addicted technically screwed What makes some people's lives example while others a warning For my entire life I have been obsessed with like questions And to quench my quest of figuring out the difference that made the difference I stumbled upon an never ending journey the road to personal excellence The road which is always under construction I'm not here to claim that I have figured it all out But the great news is I'm yet evolving Honor those who seek the truth beware of those who have found it For me it's a reminder that the path to personal excellence never ends and that absolutely nobody has this SHIT figured out Be Successful Thrive Exponentially Beyond Excellence is my open invitation for you to join me on this uniquely phenomenal journey the way to thrive exponentially beyond excellence IS THIS INVITATION REALLY FOR YOU Oh I must say that's a pretty good question Knowledge is having the right answer while intelligence is asking the right question Anyways let's come back to the point Is this book really for you Now I can answer it in two ways Firstly Yes Just because Sir Jim Rohn says You should always invest 10% of your income on yourself Your personal development So if he says that you should invest 10% of your income on your personal development so you must Just Kidding You might say Well Sir Jim can say that you should invest 100% of your income on yourself so we must May be if he says so then yes Okay Jokes apart But wait I have another good reason for you to consider why you must invest your time in this book It isn't what the book costs It's what it will cost you if you don't read it You see I believe I know who you really

are If you are a kind of person who s always seeking for the edge and you never want to settle for anything less than you are made to be or share or give or contribute And that no matter how well you are already doing or how challenged you now may be deep inside of you there lies a belief that your experience of life can and will be much greater than it already is I think this is a pretty perfect place for you to fit in By consistently taking advantage of each of the chapters in this book you will ensure your ability to maximize your potential and live a life filled with grace and abundance If you are still with me let me brief you about how this book is structured and how to get the most of it Basically I have designed it in such a way that it will help you to grow and thrive in each and every area of your life either it be your finances or relationship with your fiance or fiancée this book will invariably help you to unleash your true potential and reach the next level of success happiness fulfillment and accomplishment It has 10 sections and in all 55 chapters guiding you thoroughly how to walk on the blazing path of success Ah Yes You can download a sample of the book by clicking me In the case of good books the point is not to see how many of them you can get through but rather how many can get through to you **How to Learn Fast:** Katie Morgan,2025-08-12
