

Learning to Knit

Follow these basics & you'll be knitting in no time at all!

Knitting is fun & will give you a lifetime of creative pleasure and relaxation. You can create hats for yourself and those you love. When you give a handmade gift, part of you goes into it. Part of your heartfelt gift is your time and talent, along with your personal color and yarn selection.

Before you start, sit in a comfortable chair in good light. As you begin, remember that knitting to knit requires equal measures of patience and persistence. Move forward with your knitting. If you get stuck, take a deep breath, but keep at it.

To knit, you need to have some stitches to knit with.

1

Knitting (or is the term for making the foundation row of stitches on your needle. To begin, you make a slip knot.

Put the yarn around the corner of the ball. Make a loop shape. If it's too tight, pull the tail by placing the tail in front of the ball yarn, then bring the rest of the ball yarn tail slightly behind the loop.

2

Insert the tip of your right needle into the loop from the front to the back. From the left side of the stitch to the right, pull the loop on the left needle. The needle will come out with the left needle remaining on top of the right needle.

3

Time to cast on.

Insert your needle into the loop, bring up the yarn to the back of the loop with the tip of your needle. Pull it through the front of the loop. Gently pull the tail yarn to tighten the loop without the needle. This is your first stitch.

4

Adjust your thumb so that you are gently gripping both needles between the thumb and forefinger of your left hand.

5

With the yarn from your ball IN BACK of your needles, hold your needles as shown.

6

Hold the yarn with your right hand, wrap the yarn around the tip of the right needle in a clockwise motion as shown.

Brodi Ashton

Learning To Knit Quickstudy Home:

So, Help Me God Serena Babel, 2017-03-27 Sara thought her marriage would free her from her father's prison house. Clink! Alas, her freedom bore out a thorn in her side. The trouble of tugging at the thorn traversed her lifetime and trouble of her own accord. Learning to Knit QuickStudy Laminated Reference Guide Lion Brand Yarn Company, 2004-10-27 Illustrated step by step guide to knitting with detailed descriptions of each step. *Everneath* Brodi Ashton, 2012-02-02 Enthralling and suspenseful EVERNEATH is pure indulgent escapism. Becca Fitzpatrick, NYT Bestselling Author of Hush. Hush. Last spring Nikki Beckett vanished, sucked into an underworld known as the Everneath where immortals feed on the emotions of despairing humans. Now she's returned to her old life, her family, her friends, before being banished back to the underworld this time forever. She has six months before the Everneath comes to claim her; six months for goodbyes, she can't find the words for six months to find redemption if it exists. Nikki longs to spend these months reconnecting with her boyfriend Jack, the one person she loves more than anything. But there's a problem: Cole, the smoldering immortal who first enticed her to the Everneath, has followed Nikki to the mortal world. And he'll do whatever it takes to bring her back this time as his queen. She's forced to make the hardest decision of her life: find a way to cheat fate and remain on the Surface with Jack, or return to the Everneath and become Cole's. Ashton's debut is complex and intriguing. Drawing inspiration from such myths as Osiris, Orpheus, and Persephone, it explores the nature of loss and longing and what it means to be alive. Publishers Weekly: I was pulled under by this bittersweet, beautiful retelling of the Persephone myth. Ashton's lovely storytelling and strong on her own terms main character set this one apart. *Wonderful Ally* Condie, author of the MATCHED trilogy. The powerful emotions, moving and painful rebuilding of strained relationships, and star-crossed love story is sure to resonate with teen readers. *School Library Journal*: A fresh, innovative concept to young adult fiction with well-developed characters and a fantastic plot line. Libraries are advised to buy multiple copies; this one will fly off the shelves. *Voice of Youth Advocates* VOYA starred review. Ladies' Home Journal Edward William Bok, 1913. Heavy Burdens on Small Shoulders Sandra Rollings-Magnusson, 2012-06-11 Focusing on children's work on family farms in western Canada, an absolutely fascinating, marvellously fresh account of the lives of prairie pioneers. *The Calgary Herald*: The phrase child labour carries negative undertones in today's society. However, only a century ago on the Canadian Prairies, youngsters laboured alongside their parents, working the land, cleaning stovepipes, and chopping wood. By shouldering their share of the chores, these children learned the domestic and manual labour skills needed for life on a Prairie family farm. Sandra Rollings-Magnusson uses historic research, photographs, and personal anecdotes to describe the kinds of work performed by children and how each task fit into the family economy. This book is a vital contribution to western Canadian history as well as family and gender studies. **Great Goaltenders** Jim Barber, 2005-10 In the golden age of hockey, the net was a place of grace, agility, and innovation. Goaltenders deflected and blocked with creativity, stickhandled with bold strokes, and fearlessly faced a puck.
