Informed Transitions Kenneth J. Burhanna,2013-02-07 How can libraries and librarians across the educational continuum work together to support student transitions from high school to college utilizing free or low cost resources This book supplies the answers Informed Transitions Libraries Supporting the

High School to College Transition identifies the ways in which libraries and librarians can work together and create valuable resources that help students transition successfully to college despite the challenges of increasing demand and diminishing resources. The book is organized into three sections: background, expectations and skills, conversations and collaborations, and programs and resources. Section 1 establishes a foundational understanding of the libraries' role in supporting college transitions. Section 2 shares model conversations that move this work forward, stressing its collaborative nature. The third section highlights some well-established programs and resources that effectively support high school to college transitions. Practical information is provided throughout, pinpointing what high school students need to know to smoothly transition to college, spotlighting the expectations of college professors, and discussing audience-specific methods of working with students at the high school and college levels.

How to Teach Beverley E. Crane, 2017-09-01. *How to Teach: A Practical Guide for Librarians* is designed for librarians and other educators who must instruct library patrons on subjects ranging from research skills to understanding and using electronic tools to providing self-paced instruction. This book provides public, academic, school, and special librarians with practical applications based on theoretical approaches to adult learning, instructional design principles to help them plan, deliver, and assess learning, examples and model lessons illustrating face-to-face instruction and online training, and descriptions and step-by-step instructions showing them how to create self-paced materials to complement their teaching. Ready-to-use customizable worksheets, handouts, and evaluation forms serve as models. Exercises in each chapter reinforce its content. URLs identify additional ideas and materials from librarian colleagues to enhance teaching.
