In this honest and practical guide rape survivor and victim advocate Jennifer Storm shares the information tools and resources she has gained from more than twenty years of personal and professional experience to help fellow survivors recover from co-occurring sexual trauma and substance use In recent years the MeToo and Time's Up movements have exposed the truth that many already knew sexual violence victimization and rape culture are real pervasive and causing widespread trauma for millions of survivors This newfound visibility is also shedding light on the lack of resources available for victims to cope and heal from their pain Perhaps it's not surprising that many turn to whatever coping mechanisms are close by which often include alcohol other drugs and unhealthy behaviors How can people in recovery from both sexual trauma and substance use heal in a place where victim blaming and addiction stigma collide Jennifer Storm is living proof that there is hope In her memoir *Blackout Girl* she shared her story and showed survivors that they are not alone In *Awakening Blackout Girl* Jennifer goes further by providing the road map she used to wake herself up from the drug fueled numbness that was killing her and to achieve a fulfilling life of recovery and advocacy With more than twenty years of
